### **CUPE LOCAL 458 TAKES A STRIKE VOTE**

Although CUPE has taken a strike vote both Cultus Lake Park Board and CUPE have agreed to go forward with mediation which will commence early September 2009. Although, we as the Cultus Lake Park Board believe we have provided a reasonable and affordable offer, we understand that further negotiations may be required.

We are confident that through the mediation process that both parties will be able to achieve a settlement that is reasonable and acceptable.
