

Dear Sunnyside Seasonal Camper

My staff and I are very excited to commence our 2009 camping season at Sunnyside Campground operated by the Cultus Lake Park Board. I am entering my 2nd season as Campground Manager and have been busy preparing for “the best season ever” camping experience for all to enjoy.

Exciting new changes include access to WiFi at a minimal cost per week and the implementation of our Kid’s Program fully operated by Sunnyside staff. The program will be offered on Fridays and Saturdays with a goal (based on customer interest) to include Wednesdays.

In November we welcomed a new Board of Commissioners to Cultus Lake and look forward to a productive and positive season. We will begin our season by saying good-bye to our CAO/Park Manager Scott Coulson as he moves on to a new job in Clearwater. Filling Scott’s big shoes will not be easy, but the Board is committed to finding the right person, so while the search is on we welcome Tanalee Hesse to the Cultus Lake Park Board as our interim CAO/Park Manager.

The boat launch suffered some minor damages last year so repairs are underway to be completed by May 1, 2009. A new compound to store our golf carts and equipment will be constructed over May as well.

Our annual Easter Egg Hunt will take place on Sunday April 12, 2009 at 9:00 am at the Sunnyside Recreation **Bowl** followed by a pancake breakfast at Sunnyside Recreational **Hall**:
\$5.00 Adults
\$3.00 Children 3 – 12 yrs
Free Children under 3 yrs

You will recognize some familiar faces this year with many staff returning - attending to your needs at the gatehouse, washrooms and site maintenance.

In order to maintain the premium services the Cultus Lake Park Board offers to our Sunnyside Seasonal Campers, we have moderately increased the level of fees to reflect these costs.
