This approval is granted subject to traffic queues being monitored continuously by the Ministry or Project Representative while lane closures or traffic diversions are under way. Delays are not to exceed 5 minutes over the normal travel time.

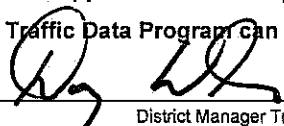

This approval is granted subject to traffic queues being monitored continuously by the Ministry or Project Representative while lane closures or traffic diversions are under way. Standards will be set as to what delays are acceptable to the public in the Traffic Management Plan and then work will commence until these standards are not met, at which time the Traffic Management Plan will be adjusted and re-approved accordingly.

The Ministry's Regional Transportation Management Centre 1-866-707-7862, must be contacted as follows:

- At the installation of the lane closure,
- Upon removal of the lane closure.

This approval must be kept on-hand at the work site.
