(8) COMMISSIONERS REPORTS

Commissioner Bauer noted that though the Environmental and Public Areas Planning Committee has not yet had their first meeting, volunteer members were removing some blackberry plants the past weekend. He also noted that he attended the Fraser Valley Regional Districts Public Hearing for the Cannabis Zoning Regulation. He noted that production and dispensary will not be permitted in in Electoral Area E and H.

Commissioner Payeur noted that he attended the Celebration of Life at the Evergreen Hall for our fire fighter Connor Sloan, who passed away tragically on Christmas Eve. He noted that the family was supported by many friends, co-workers and the attendance was standing room only. He sent the family condolences from the Board and staff.

Chair Lamb noted that the Fire Department is holding a fundraiser for PTSD in honor of Conner Sloan where they will climb 48 stories on February 23, 2020.

(9) COMMUNITY ASSOCIATION

Colleen Rogozinski, Cultus Lake Community Association inquired if there has been an update on the sewer?

Chair Lamb noted that there has not been an update with respect to FVRD and the sewer system. He also noted that there has been no engagement between the two parties.

Question of the Month?

Colleen Rogozinski, Cultus Lake Community Association inquired on the implementation of a Smoke-Free Park and noted that it is welcomed by many, however one of the unintended consequences of the initiative has been that people have been smoking in secluded areas (among the trees and wooded area) and in the residential areas. As a result, this has increased the pollution (butts being left on the ground) and potentially increasing the fire hazard within the park. She inquired if the Board has given any consideration to create designated smoking areas to accommodate smokers?

Chair Lamb noted that it will be placed on a Regular Meeting Agenda with a staff recommendation for the Board to review. He noted that the Board has discussed this in the past and the resolution to allow designated smoking areas had been defeated. He noted that in the past we tried to educate people on the Smoking Bylaw and did not apply fines, however going forward he noted that we do plan on managing this differently this year.

(10) PUBLIC QUESTION PERIOD

Q: Rick Williamson, First Ave. inquired on the amendment to the parking and in the definition of "Store" states not to park more than 72 hours or three (3) days, he noted that neither of these stipulate in a row and also inquire on how this will be enforced?

A: Jacquie Spencer, Acting Manager of Visitor Services, Accommodations and Bylaw Enforcement noted that staff are trying to stop people from moving from parking spot to parking spot. She noted that it is either 72 hours, or not more than three (3) days in a calendar month, not more than 3 days in a row.

A: Chair Lamb referred this back to staff to clarify on ways to manage this.

Q: Pat Ferdinand's, Maple St. provided the Board with an example of a bylaw enforcement issue in a high-density area in the Lower Mainland where there was a parking restriction of 72-hours. He noted that it was difficult for the officer to manage and noted that this created a lot of friction between neighbors and the community. He inquired under 11.2(b) seasonal maintenance for loading and cleaning and has asked what the reason was for this concession.

A: Chair Lamb noted that Board wants to be reasonable in being able to allow those that may need to clean their boats, load their RV's and noted that some may not have the areas or space to do so. He clarified that if parking is contained on the lease lot, there is not an issue. He referred questions on the Blvd parking to staff for consideration.

(11) **ADJOURNMENT**

4559-20 Moved by: Commissioner Bauer Seconded by: Commissioner Payeur

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 3900
SUBMITTED BY: Erica Lee, Chief Financial Officer
SUBJECT: 2020 - 2024 Financial Plan Amendment

PURPOSE:

To provide the Board with background information and rationale for considering the 2020-2024 Financial Plan Amendment Bylaw 1173, 2020.

RECOMMENDATION:

***THAT** the Cultus Lake Park Board give First, Second and Third readings to Cultus Lake Park 2020 - 2024 Financial Plan Amendment Bylaw No. 1173, 2020.*

DISCUSSION:

The 2020-2024 Five Year Financial Plan Bylaw No. 1162, 2019 was adopted on December 18, 2019. As per Section 165(2) of the *Community Charter*, the Financial Plan may be amended by bylaw at any time.

As we work through the financial year-end process staff is in a good position to confirm actual vs. budgeted spending on specific items and the level of carryforward budget funds that exist. In order to see these projects either continue or start in 2020, staff have put forth a financial plan amendment bylaw for the Board's consideration. The amendments proposed include:

Sunnyside Campground

Operations

1. Building Maintenance (GL 5300)

Request: \$5,000

Approximately \$5,000 (\$22,500 total budget) of funding remains unused from 2019. Staff is requesting to transfer these unused funds to 2020 to be used to complete exterior repairs on washroom #2 that were started late in 2019 and will be completed in 2020.

Sunnyside Campground Continued.

2. Road and Parking Maintenance (GL 7200)

Request: \$4,000

Approximately \$4,000 (\$8,000 total budget) of funding remains unused from 2019. Staff is requesting to transfer these unused funds to 2020. These funds will be used to finish the shouldering work that is necessary for many of the sites bordering the new paving completed in 2019.

Therefore, the amendment reflects a proposal to fund these carry forward requests for 2020 totaling \$9,000 from the Operating Surplus Fund as the underspending in this area contributed to a higher level of overall surplus for 2019.

Capital Projects

3. Fencing (GL9000 – Project# 72)

Request: \$5,085

Approximately \$5,085 (\$10,000 total budget) remains in the fencing budget for Sunnyside Campground. If approved, funds will be used to complete the fencing project started in 2019.

4. WIFI Upgrades (GL9000 – Project# 102)

Request: \$20,000

Work to upgrade the WIFI in Sunnyside Campground began in 2019 and staff are asking to carry over \$20,000 of the funds remaining from the 2019 budget to continue to make WIFI upgrades in 2020.

5. Movie Night Equipment (GL9000 – Project# 130)

Request: \$3,000

The full funding of \$3,000 remains unused. If approved for transfer, the funds will be used to purchase the movie night equipment that was planned to be purchased in 2019.

Therefore, the amendment reflects a total increase of \$28,085 in the capital project budget being funded from the Sunnyside Campground Reserve Fund as a carryforward balance.

Community Hall

Capital Projects

6. AED (GL9000 – Project# 119)

Request: \$2,500

The full funding of \$2,500 remains unused from 2018 for the purchase of an AED for the Community Hall. The AED was purchased and installed at the community hall in early 2020, therefore staff are requesting the funding to be carried forward for the purchase.

Therefore, the amendment reflects an increase of \$2,500 in the capital project budget being funded from the Community Hall Reserve Fund as a carryforward balance.

Cabins (Visitor Services)

Operations

7. Ground Maintenance (GL 6000)

Request: \$3,115

Approximately \$3,115 (\$3,170 total budget) remains unused. If approved for transfer the funds will be used to replace the cracked sidewalk at Lakeview cabin. This project was originally scheduled to occur in 2019 but was not able to be completed.

Therefore, the amendment reflects a proposal to fund these carry forward requests for 2020 totaling \$3,115 from the Operating Surplus Fund as the underspending in this area contributed to a higher level of overall surplus for 2019.

Public Areas

Capital Projects

8. Lakeshore/Munroe – Guardrail Replacement (GL9000 – Project# 123)

Request: \$10,000

The 2019 Lakeshore/Munroe – Guardrail Replacement was included as a capital project in the 2019-2023 Financial Plan with a budget of \$51,300 which was funded through the Land Sales Reserve. During 2019 approximately \$8,438 was spent on the guardrail replacement. Staff is requesting \$10,000 of the remaining balance be carried forward to 2020 to allow for the project to be completed.

9. Westside – Retaining Wall Stabilization (GL9000 – Project# 99)

Request: \$118,800

The 2019 Westside – Retaining Wall Stabilization Project was included as a capital project in the 2019-2023 Financial Plan with a budget of \$120,000 which was funded through the Land Sales Reserve. During 2019 approximately \$1,200 was spent on the retaining wall stabilization. Staff is requesting the balance of \$118,800 be carried forward to 2020 to allow for the project to be continued.

10. Lot B Redesign (GL9000 – Project# 122)

Request: \$7,405

The Lot B Redesign was included as a capital project in the 2019-2024 Financial Plan with a budget of \$12,500 which was funded through the Land Sales Reserve. During 2019 approximately \$5,095 was spent on the redesign planning. Staff is requesting the balance of \$7,405 to be carried forward to 2020 to allow for the project to be completed.

11. Tree Management Plan (GL9000 – Project# 139)

Request: \$30,000

The Tree Management Plan was included as a capital project in the 2019-2024 Financial Plan with a budget of \$30,000 which was funded through the Operating Surplus. During 2019 none of these funds were spent as this project was postponed until 2020 to allow the Main Beach Master Plan to be completed. Staff is requesting the budget of \$30,000 be carried forward to 2020 to allow to fund the creation of a tree management plan.

Public Areas Continued

12. Main Beach Masterplan (GL9000 – Project# 94)

Request: \$910

The Main Beach Masterplan included as a capital project in the 2019-2024 Financial Plan with a budget of \$12,000 which was funded through the Main Beach Reserve. During 2019 approximately \$11,090 was spent on the preliminary plan. Staff is requesting the balance of \$910 to be carried forward to 2020 to allow for any further work to have the plan reviewed and completed.

13. Lawn Irrigation System (GL9000 – Project# 120)

Request: \$1,690

A Lawn Irrigation System has been installed on Main Beach in stages over the past few years. In the 2019-2024 Financial Plan there was a budget \$15,000 which was funded through the Main Beach Reserve. During 2019 approximately \$13,310 was spent. Staff is requesting the balance of \$1,690 to be carried forward to 2020 to be used for the next stage of the irrigation system.

Therefore, the amendment reflects a total increase of \$168,805 in the capital project budget, \$136,205 being funded from the Land Sales Reserve, \$30,000 from the Operating Surplus Fund and \$2,600 from the Main Beach Reserve Fund as carryforward balances.

Fire

Operations

14. Building Maintenance (GL5300)

Request: \$1,900

Approximately \$1,900 (\$4,320 total budget) remains unused. If approved for transfer the funds will be used to install security cameras at the fire hall. This project was originally scheduled to occur in 2019 but was not able to be completed.

Capital

15. Jaws of Life (GL9000)

Request: \$15,000

In 2018 the Fire Department Operating Reserve Fund was established to collect any surplus funds realized by the fire department at the end of each year to fund unexpected costs, the reserves current balance is approximately \$38,500. It has been identified that the fire department urgently needs to purchase a Jaws of Life system, therefore staff are requesting approval to use \$15,000 from the Fire Department Operating Reserve to fund them.

Therefore, the amendment reflects a proposal to fund these requests for 2020 totaling \$16,900 from the Fire Department Operating Surplus Fund.

General Administration

Operations

16. Contract Services (GL5375)

Request: \$16,000

Approximately \$19,000 (\$78,575 total budget) of funding remains unused from 2019. Staff is requesting to carry forward \$16,000 of this balance to fund the Asset Management project that was not completed in 2019.

Therefore, the amendment reflects an increase of \$16,000 in operating costs budgeted for 2020 being funded through the Operating Surplus Fund as the underspending in this area contributed to a higher level of overall surplus for 2019.

FINANCIAL PLAN IMPLICATION:

The requests above will have no direct impact to the budgeted surplus as the requests will be funded from Reserves or the Operating Surplus Fund. Therefore, there is no impact to residential or commercial lease rates.

Refer to Schedule "A" for the final draft amended 2020 Financial Plan and Schedule "B" for the final draft amended 2020-2024 Financial Plan. The summary of changes to the 2020 Financial Plan Bylaw are identified in Schedule "C".

Cultus Lake Park

SUNNYSIDE CAMPGROUND BYLAW

Bylaw No. 1165, 2020

A Bylaw to regulate Sunnyside Campground.

Section 12 of the *Cultus Lake Park Act* (1932 and Amendments) enables the Cultus Lake Park Board to adopt Bylaws, and Section 9.2 (1) provides that Section 260 – Enforcement Powers of the *Community Charter* apply to the enforcement of the bylaws of the Board, and Section 261 – Payment of Fines and Other Penalties to Municipality under the *Community Charter* provides that fines and other penalties imposed and collected under or because of a Cultus Lake Park bylaw must be paid to the Park.

Every person who offends against any of the provisions of this Bylaw or who suffers or permits any act to be done in contravention or in violation of any of the provisions of this Bylaw, or who neglects to do or refrains from doing anything required to be done by any of the provisions of this Bylaw, or who does any act or thing which violates any of the provisions of this Bylaw, will be in breach of this Bylaw, and will be liable to the fees as outlined in Schedule A of this Bylaw and the fines and provisions as outlined in the “Cultus Lake Park Bylaw Notice Enforcement Bylaw No. 1140, 2019.

The Cultus Lake Park Board in open meeting assembled, enacts as follows:

1. TITLE

This Bylaw may be cited as “Cultus Lake Park Sunnyside Campground Bylaw No. 1165, 2020.”

2. INTERPRETATION

- 2.1** Words or phrases defined in the *British Columbia Interpretation Act*, *Motor Vehicle Act*, *Local Government Act*, *Community Charter*, or any successor legislation, will have the same meaning when used in this Bylaw unless otherwise defined in this Bylaw.

2.2 DEFINITIONS OF TERMS

“Barbeque” means a devise that cooks food by applying heat from below, fueled by propane.

“Board” means the elected Board for Cultus Lake Park.

“Boulevard” means that portion of space between the road edges on median strips or Islands.

“Bylaw Compliance Enforcement Officer” means the persons duly appointed by the Board as such and will include any Peace Officer.

“Unmanned Aerial Vehicle” A powered, aerial vehicle that does not carry a human operator, uses aerodynamic forces to provide vehicle lift, can fly autonomously or be piloted remotely, can be expendable or recoverable and can carry a lethal or nonlethal payload. Commonly known as a UAV or drone.

“Unsightly” means in addition to its common dictionary meaning and regardless of the condition of other properties in the neighborhood, will include property having any one or more of the following characteristics:

- (a) the storage, location or accumulation visible to a person standing on a public highway or on nearby property, or in a building or structure situated on a public highway or nearby property, of filth, rubbish, graffiti or any other discarded materials;
- (b) the untidy storage, location or placement of building materials on a site where construction is not taking place, except where they cannot be seen from a public highway or from nearby property, or from a building or structure situated on a public highway or nearby property;

- (c) landscaping or vegetation that is dead or characterized by uncontrolled growth or lack of maintenance, or is damaged;
- (d) any other similar conditions of disrepair, dilapidation, or deterioration;
- (e) any unlicensed or unregistered vehicles in a state of disrepair or disassembly.

“Vehicle” means a device in, on or by which a person or thing is or may be transported or drawn on a highway, but does not include a device designed to be moved by human power, a device used exclusively on stationary rails or tracks or a motor assisted cycle and for the purpose of this Bylaw will include boat or other trailers; and will include the meaning designated to a vehicle in the *British Columbia Motor Vehicle Act*.

“Visitor” means any person visiting a registered camper.

“Wharf” means a structure on the shore extending out into the foreshore.

- 2.3** In this Bylaw, unless the context otherwise requires, the singular will include the plural and the masculine includes the feminine gender.
- 2.4** The headings contained in this Bylaw are for convenience only and are not to be construed as defining, or in any way limiting, the scope or the intent of the provisions of this Bylaw.

3. RULES AND REGULATIONS

All campers and visitors in Sunnyside Campground are subject to the provisions as outlined in the Sunnyside Campground Bylaw No. 1165, 2020.

4. NOISE REGULATION

Exemptions

- 4.1** Notwithstanding anything contained herein, no person will be guilty of an infraction of this Bylaw while:
 - a) operating or in charge of Fire Department, Police, Ambulance and Park Staff vehicles while in the execution of their duties.
 - b) operating any motor vehicle, machinery or other apparatus or thing during an emergency or for a public purpose or in furtherance of the public interest including, without limiting the generality of the foregoing, water main and sewer main break repairs.
 - c) performing works of an emergency nature for the preservation or protection of life, health or property, provided that, the responsibility will be on the person performing the work to show cause that the work was of an emergency nature.

4.2 General Prohibitions

- a) No person will make, cause, or permit to be made or caused, any noise in or on any public area in the campground which disturbs or tends to disturb the quiet, peace, rest, enjoyment, comfort or convenience of any person or persons in the vicinity of that place.
- b) No person being the registered camper of a campsite will allow or permit such campsite to be used so that noise or sound which occurs on or emanates from, disturbs or tends to disturb the quiet, peace, rest, enjoyment, comfort or convenience of any person or persons on the same site or in the neighborhood or vicinity of that site.
- c) In terms of this Bylaw, quiet hours will be maintained between 11:00 pm and 7:00 am when the campground will be free of any excessive noise that could disrupt the peaceful enjoyment of the campground. No person will make unnecessary or continuous noise during these quiet hours.

4.3 Public Address Systems

- a) Public address and/or sound systems are not permitted in the campground without written permission from the Campground Administrator.

4.4 Motor Vehicle Noise

- a) The following noises are considered unnecessary, objectionable or liable to disturb the quiet, peace, rest, enjoyment, comfort or convenience of campers and visitors:
 - i. the squeal of a tire on a road surface made by a motor vehicle which is accelerating, stopping or changing direction;
 - ii. a loud, roaring or explosive sound emitted by a motor vehicle within the campground;
 - iii. the amplified sound of a radio, CD-player, or other sound playback device or amplification equipment, or the sound of a musical instrument, that emanates from a motor vehicle and can be easily heard by someone outside the motor vehicle;
 - iv. the sound of an automobile security system which is made, either continuously or intermittently, for a period exceeding three (3) minutes, or made more than three (3) times in a 24-hour period;
 - v. the sound of a horn or other warning device on a motor vehicle used for any purpose other than as an audible warning incidental to the safe operation of the motor vehicle.

4.5 Vehicles Idling and Air Quality

- a) It will be an offence to idle or otherwise run continuously for more than three (3) minutes at the same location, except:
 - i. a vehicle containing equipment that must be operated inside or in association with a vehicle;

- ii. a vehicle serving as a facility for taking measurements or making observations by or on behalf of the campground, public utility, police, fire or ambulance.

4.6 Specific Prohibitions

Without limiting the generality of subsection 4.2 herein:

- a) No person will play or operate any radio, stereophonic equipment or other instrument or any apparatus for the production or amplification of sound either in or on a campsite or on any road, laneway, wharf, foreshore or other public area in such a manner as to disturb the quiet, peace, rest, enjoyment, comfort or convenience of any person or persons in the neighborhood or vicinity of those premises or place
- b) No person being the registered camper of a campsite will allow or permit such campsite to be used by a person or persons for playing or operating any radio or stereophonic equipment or other instrument or other apparatus for the production or amplification of sound in such a manner as to disturb the quiet, peace, rest, enjoyment, comfort or convenience of any person or persons in the neighborhood or vicinity of said campsite.
- c) No person will own, keep or harbor any animal which by its barking, cries or sounds unduly disturbs the peace, quiet, rest or tranquility of the surrounding neighborhood or of persons in the vicinity.
- d) No person may operate, or cause, suffer or permit the operation of, any motorized lawn-grooming or garden equipment in the campground between the hours of 7:00 pm and 9:00 am, with the exception of campground and Park staff.
- e) No person will create a nuisance or disturbance upon any portion of a road, laneway or other public area by participating in a fight or other similar physical confrontation between consenting or non-consenting persons. Failure to comply will result in fines and/or eviction.

5. GATE CLOSURE AND VISITOR DEPARTURE

- 5.1** Seasonal campers will have the option of card-swipe entry for the electronic gate outside of gatehouse operational hours.
- 5.2** Day visitors will be required to leave the campground by 11:00 pm every day.
- 5.3** Overnight visitors will be required to leave the campground by 11:00 am on the date of visitor pass expiry.
- 5.4** No visitors are permitted entry after 10:00 pm.

6. CAMPERS AND VISITORS

- 6.1 Campsite fees include two adults and multiple children.
- 6.2 Extra guests 19 years and older will be considered adults and charged an additional fee. Adult occupancy is not permitted to exceed four (4) per campsite.
- 6.3 It is the responsibility of the registered camper to ensure that their visitor(s) comply with all requirements of this Bylaw.
- 6.4 The registered camper will be held responsible and accountable for their conduct and the conduct of their guest(s) and visitor(s). Unacceptable conduct will be subject to section 23 [Evictions] of this Bylaw at the discretion of the Campground Administrator and/or Manager of Visitor Services, Accommodations and Bylaw Enforcement and in consultation with the CAO.
- 6.5 In the event that a registered camper refuses to pay any outstanding charges, campground staff will prohibit the removal of camping materials or unit from the campground and/or be subject to eviction.
- 6.6 Belligerent or disrespectful behavior will not be tolerated anywhere in the campground. Violators will be subject to fines and/or eviction.
- 6.7 The Manager of Visitor Services, Accommodations and Bylaw Compliance Enforcement Officers, Sunnyside Campground Administrator or designate, and Sunnyside Campground Bylaw Compliance and Enforcement Officers reserve the right to refuse admittance to any person.

7. PUBLIC AREAS

- 7.1 It is prohibited for any person to operate an Unmanned Aerial Vehicle (commonly known as a Drone) within the campground.
- 7.2 Persons 18 years and under must be accompanied by an adult when off their site after 11:00 pm. Fines will be applied per attendance and may result in eviction.
- 7.3 All Playgrounds close at dusk.

8. VEHICLES

- 8.1 Day Visitor Vehicles: There is a limit of two (2) day visitor vehicles per site. Each vehicle may be occupied by two (2) adult visitor(s) and children. Additional fees will apply.

- 8.9** Vehicles must be parked in such a way as to not impede the flow of traffic on any road or laneway.

9. LIQUOR

The *Liquor Control and Licensing Act* will be strictly enforced.

- 9.1** Open liquor and/or alcoholic beverages are prohibited in all public areas, beaches, campground buildings, playgrounds, road ways and green spaces. Fines will be levied per attendance.
- 9.2** Open liquor and/or alcoholic beverages may only be consumed on individual campsites.

10. AGE RESTRICTION

Persons under 21 years of age may not be permitted to occupy any campsite unless accompanied by the registered camper, aged 21 years of age or older.

11. PETS

- 11.1** Pets must always be secured or leashed and under the control of the handler.
- 11.2** Pets must not be left unattended.
- 11.3** Pet(s) that repeatedly disturb the quiet enjoyment of campers may be required to be removed from the campground by their custodian and/or the registered occupant of the site the pet(s) is associated with and will be subject to fines per attendance.
- 11.4** All pets must have ID tags including owner or custodial contact information attached to collars.

- 11.5** Seasonal pets must have ID tags including the registered campsite number(s).
- 11.6** Refer to Cultus Lake Park Animal Control and Regulations Bylaw No. 1142, 2019 Schedule "C" for off-leash areas and dog swim areas.
- 11.7** Pets are not allowed on the beaches, on the wharves, in the water, (except for in the dog swim areas) or in the playground areas.
- 11.8** Handlers of pets will be responsible for all clean-up and disposal of their pet's feces into a garbage receptacle.
- 11.9** It is prohibited for any person to own, keep or harbor any dangerous animal, snakes, lizards or crocodilians within Sunnyside Campground.

12. PLANTS AND TREES

- 12.1** It is prohibited to cut, trim or damage plants and/or trees, including fallen trees.
- 12.2** Use of nails, screws or any material which could damage a tree is prohibited.
- 12.3** No person will plant any tree, plant or flower in the ground within the campground, excluding planter boxes and raised garden beds that had been approved by the Park in 2010. Replacement of these previously approved planter boxes and raised garden beds are not allowed without written permission from the Campground Administrator.
- 12.4** No person will place or store any planter or planting pots outside of the property pins of their seasonal camping site.
- 12.5** Violators will be subject to fines and/or eviction.

13. ELECTRICITY

- 13.1** All lights are required to be turned off during daylight hours and when retiring for the night.
- 13.2** Air conditioners are required to be turned off when the site is not occupied for twelve (12) hours or more.
- 13.3** One string of Energy Efficient exterior lights, 15m/50' is permitted per site and is to be turned off overnight and/or when the site is not occupied.
- 13.4** One Energy Efficient 5.0 cubic feet exterior refrigerator displaying Energy Guide rating sticker is permitted per seasonal site. The refrigerator must be child-proofed with an appropriate locking device. Seasonal campers must pay for a decal at time of registration which must be clearly displayed on the outside of the refrigerator.

13.5 Freezers, electric ranges and generators are not permitted.

13.6 Each seasonal site is entitled to one 30 amperage electrical outlet. Any abuse of electrical usage or tampering with electrical outlets or boxes will be subject to fines and/or eviction.

13.7 No person will install additional breakers or breaker box systems off an existing electrical outlet.

13.8 No person will block access to a breaker box.

14. GARBAGE, RECYCLING AND DISPOSAL OF PROPANE BOTTLES

14.1 No person will remove any recycling or waste from any disposal or recycling receptacle or remove any recyclable item from any site other than their own or any Campground area, except for campground staff.

14.2 No person is permitted to solicit any recycling material from any other person in the Campground.

14.3 All campers are required to remove all used or unused propane bottles (white and green) upon departure from the campground. It is prohibited to deposit or discard any propane bottles anywhere in Sunnyside Campground, including trash bins.

15. SITE CONDITION

It is the responsibility of the registered camper to maintain the overall appearance of their site to ensure it does not become unsightly in the opinion of the campground administrator.

16. INFORMATION

16.1 To protect the privacy of campers, staff will not release any information about Sunnyside Campground registered customers. If campers expect guests, it is required that they ensure that the guests know the seasonal campers' site number and the name of the person under which it is registered, or entry will be denied.

16.2 Phone Messages: Only messages of extreme urgency will be delivered to individual sites.

17. CAMPFIRE AND FIRE BANS

17.1 Open burning wood fires are prohibited in the campground except on registered sites. Fires must be in a container, apparatus or physical construct that is capable of controlling the spread of the fire such as the fire rings provided by the campground and must not be left unattended and an adult must be present at all time. The only material permitted to be burned in fire pits, except for those units as approved in

17.2, is untreated wood.

17.2 CSA-approved free-standing propane and natural gas fire pits, barbeques and camp stoves are permitted on registered sites.

17.3 Smoker units are prohibited in the campground.

17.4 Flames must be kept low six (6) inches (15 cm) in height and a safe distance from any tree, building, vehicle and combustible structure or any type of material that may be subject to combustion.

17.5 All propane or natural gas units are prohibited on the wharves and the beach.

17.6 The use of charcoal, coal or briquettes is prohibited within the public areas of the campground.

17.7 The use of campfires is permitted daily from 7:00 am to 1:00 pm and from 5:00 pm to 11:00 pm.

17.8 Camp fire regulations may be relaxed during inclement weather with the approval of the Manager of Visitor Services, Accommodations and Bylaw Enforcement, or designate.

17.9 Campfires must not be left unattended. An adult must be present at all times if a fire is being used.

17.10 Materials prohibited from burning include but are not limited to: garbage, rubber, plastics, hazardous materials, treated, painted or stained wood and/or petroleum products not expressly approved in this section.

17.11 In the event of a Fire Ban all fire ban regulations must be strictly adhered to. Please refer to the Cultus Lake Park Burning Conditions, Restrictions and Fire Ban Bylaw No. 1144, 2019 for Bylaws pertaining to fire bans within Cultus Lake Park.

17.12 Barbeque and Charcoal/Coal units are prohibited on wharves and beach areas.

18. WATERCRAFT

Please refer to the Cultus Lake Park Boating and Foreshore Bylaw No. 1143, 2019 for Bylaws relating to watercraft, boating, moorage and the foreshore.

19. SEASONAL OCCUPANCY

19.1 Only the registered camper(s) may use the site:

- a) Subletting or assignment of seasonal sites is not permitted and will be subject to eviction.
- b) Change of site occupancy name is allowed only between spouses and requires the consent of the Campground Administrator.

19.2 Site Usage

- a) Seasonal campers are permitted, per site: one (1) recreational vehicle unit plus one (1) tent for immediate family only and as the seasonal site size permits in consideration of section 19.3 (b) of this Bylaw, below; or
- b) Two (2) tents for immediate family only if no recreational vehicle unit is on site.

19.3 Vehicle Passes

- a) Two (2) seasonal vehicle passes are provided at no additional cost for each site. It is the responsibility of the seasonal camper to ensure adequate parking is available on site in consideration of the recreational vehicle unit or trailer size and any other tent(s), boat trailer, shed or utility trailer the seasonal camper place on site.
- b) A maximum of two (2) extra seasonal vehicle passes may be purchased; the recipient(s) of which must be authorized, in writing, by the registered seasonal camper, who assumes responsibility for the authorized pass holder's conduct. Each seasonal vehicle pass includes one adult and children. Additional adults must register at the gatehouse and pay applicable fees overnight visiting.
- c) Seasonal passes will not be issued to any camping unit including, but not limited to, truck and camper, camperized van or recreational vehicle.
- d) Limited parking spaces may be available for rent by the campground and may be purchased for additional fees and will be subject to availability at the discretion of the Campground Administrator.
- e) A motorcycle is considered a vehicle for the purposes of parking passes. A pass may be issued in respect to licensed motorcycles or motor scooters provided that the vehicles are parked on the seasonal site or in the additional parking space(s) as provided by section 19.3 (a) and 19.3 (d).
- f) In order to obtain passes, proper identification (e.g. driver's license) and registered seasonal camper's signature will be required at the time such passes are issued and are to be affixed on the vehicle windshield immediately.
- g) It is prohibited to affix passes to unregistered vehicle(s). The pass will be required to be re-purchased by the registered occupant from the remaining available passes. If no available passes remain, the registered occupant will be required to pay daily or nightly vehicle fees.
- h) In the situation of a registered vehicle being sold or a windshield being replaced, the old pass must be removed and exchanged for a replacement pass, at no additional charge. If the old pass is not provided for exchange, a new pass must be purchased and will be subject to availability.
- i) Seasonal camper entry after gate closure is permitted via keycard swipe

system in the pass holders' lane at the entrance of the Campground. A deposit is required for the issue of each card, which will be refunded when the card is returned to the Campground gatehouse staff prior to September 30 at 12:00 pm. If a card is lost, stolen or damaged the deposit will be retained and a further deposit is required to issue a replacement card. Fees and deposit amounts are outlined in Schedule A of this Bylaw.

20. SITE SET-UP AND ALTERATIONS

20.1 Site set-up and alterations require prior written approval from the Campground Administrator and Manager of Visitor Services, Accommodations and Bylaw Enforcement and must meet all Bylaw requirements.

20.2 Approved site alterations expire at the end of each season.

20.3 Wood decks are permitted and must remain within site boundaries and must be removed at the end of each season. Poured concrete decks and other permanent deck structures are prohibited except for seasonal campers that have been grandfathered in 2010. If the grandfathered deck structures are deemed unsafe, by Park Staff, they will be removed, and the site will be brought back to its natural state.

20.4 Sheds and Utility Trailers: One shed (must not exceed 4 feet wide x 8 feet long x 7 feet high) or utility trailer (must not exceed 14 feet long) is permitted per site and must be located within the site boundaries. The exterior must be finished and used for the sole purpose of storage. Sheds or utility trailers are subject to the Manager of Visitor Services, Accommodations and Bylaw Enforcement, or designate, approval.

20.5 Tarps must remain within the campsite boundary and must be used as roof coverings only. Tarps must not be secured to trees in any way that could harm or damage them. Orange tarps are not permitted to be used on seasonal sites.

20.6 Fences require the Campground Administrator's written approval, and if approved, must not be a height greater than 1.2m (4 feet). Fencing must abide by the following:

- a) fences along a roadway will not be outside of the campsite property lines and must be setback two (2) feet from the roadway;
- b) picket fences with pointed tops are prohibited;
- c) fencing contiguous to campground washrooms may be solid and 6 feet tall;
- d) all fencing must allow persons from outside the campsite to be able to clearly see into the campsite without an obstructed view;
- e) no solid fencing is permitted and

- i. must be a non-permanent and removable wooden, wire, plastic or Plexiglas barrier that is one type with a width of less than six inches and a height of no greater than 4 feet.
- 20.7** All portable carport, gazebo and metal structures must be secured and/or anchored to the ground.
- 20.8** No landscape or construction materials will be allowed into the campground without an approved Site Set-up / Alteration form signed by the Campground Administrator and/or Manager of Visitor Services, Accommodations and Bylaw Enforcement.
- 20.9** One (1) picnic table per site is supplied and must not be damaged or altered in any way (including painting). Any coverings protecting or attached to the table must be removed upon departure.
- 20.10** It is the sole responsibility of the seasonal camper or registered occupant to ensure that any deck built on-site meets the current British Columbia Building Code and has been approved by the Campground Administrator.
- 20.11** On-site inspection by Bylaw Compliance Enforcement and Park staff may occur to ensure Bylaw and Building Code Compliance.
- 20.12** A person will not add any structure to or beside any recreational vehicle, travel trailer or camper other than a deck.
- 20.13** No accessory buildings or structures are permitted on a campsite or within the campground unless approved by the Campground Administrator.
- 20.14** No person will interfere with the operations of the campground, including but not limited to, tampering with electrical, water, sewer or site boundary lines.

21. SATELLITE DISH/ANTENNAE

- 21.1** Satellite dishes must be installed within the perimeter of the seasonal site and can only extend beyond the seasonal site with prior written permission from the Campground Administrator. Permission will be denied should any parts of the satellite including, but not limited to, cable, dish, wiring, etc. cross over or under any roadway or pathway.
- 21.2** Satellite dishes or any part thereof must not be attached to utility poles or Sunnyside Campground structures.
- 21.3** Satellite dishes attached to trees must be attached in such away so as to not harm a tree in any manner. Examples include: bungee cords, zap straps or satellite poles.
- 21.4** All Satellite dish equipment must be removed at the end of season.
- 21.5** Satellite dishes in violation of this section are subject to removal without notice.

- 21.6** Sunnyside Campground is not responsible for any theft of satellite signal or piracy of media content.

22. DEPARTURE PROCEDURES

- 22.1** Sites and fire pits must be cleaned before departure.
- 22.2** Ropes and other tying devices which are attached to trees must be removed before departure.
- 22.3** All building materials, furniture, appliances and any other large items must be removed from the campground at the expense of the seasonal camper. None of these items are to be left at or within waste removal bins.
- 22.4** Any unsecured items such as, but not limited to, cement blocks and bricks must be removed from sites prior to the departure date. All costs incurred by Sunnyside Campground for the removal and disposal of items will be charged to the registered site occupant, plus 25 percent for overhead costs.
- 22.5** Departure time for seasonal camping is no later than 12:00 noon on September 30.
- 22.6** Failure to comply with these procedures may jeopardize future site occupancy.
- 22.7** A clean-up fee will be applied to registered campers whose site is not cleaned on departure. The clean-up fee will be added as a site charge levied in the following year to the returning seasonal camper.

23. EVICTIONS

- 23.1** In the event a camper fails to abide by any section of this Bylaw, the camper may be subject to the following:
- a) Seasonal camper: be evicted from the campground and given forty-eight (48) hours to remove all personal property.
 - b) For a seasonal camper who is evicted, any refund will be calculated by using the overnight full hook-up rates currently in effect applied to the total number of registered nights prior to the eviction departure date and is subject to a two week period for campground staff to find seasonal occupancy for the site. The number of unregistered nights, to a maximum of 14, will be added to the number of registered nights of the evicted seasonal prior to calculating the refund.
 - c) Overnight campers will be required to leave the campground and remove all personal property immediately.
 - d) A seasonal or daily camper who has been evicted will not be permitted back

to Sunnyside Campground for two (2) years and only with approval of the Campground Administrator. If the Campground Administrator grants approval for a seasonal camper to return to the Campground, the individual will be placed on the wait list.

- e) Evictions will be at the sole discretion of the Campground Administrator and/or Manager of Visitor Services, Accommodations, and Bylaw Compliance Enforcement in consultation with the CAO.

24. SEASONAL NON-RENEWAL

24.1 Annually, registered seasonal camper's site files will be reviewed and may be subject to non-renewal of the seasonal site if one or more of the following criteria is applicable:

- a) Multiple warnings and notice on several occasions during the past season or previous seasons relating to:
 - i. Belligerent/disrespectful behavior
 - ii. Documentation of reoccurring issues of prohibitive behavior over one or more seasons;
 - iii. Written or verbal warning by Bylaw Compliance Enforcement Officer throughout the season relating to noise, which are documented in shift patrol logs;
 - iv. Other Bylaw infractions.
- b) Occurrences where the attendance of the RCMP is required to attend (including but not limited to: domestic disturbances; physical violence; public intoxication; belligerent behavior; or threats against campground staff).
- c) Abusive/disrespectful or threatening behavior or language towards campground staff.
- d) Nonpayment of campground fees, by the applicable deadline.

24.2 Notice of non-renewal may be given at any time.

24.3 Occupants of sites that are subject to non-renewal will not be permitted back to Sunnyside Campground for two (2) years and only with the approval of the Campground Administrator and/or Manager of Visitor Services, Accommodations, and Bylaw Compliance Enforcement and CAO.

25. FEES AND FINES

25.1 All campers and visitors in Sunnyside Campground are subject to the fees noted in Schedule A of this Bylaw and the fines and provisions as outlined in Cultus Lake Park Bylaw Notice Enforcement Bylaw No. 1140, 2019, and Schedule A-11 of said bylaw.

25.2 Each occurrence or day that a contravention of the provisions of this Bylaw exists or is permitted to exist will constitute a separate offence.

26. SEVERABILITY

If any part of this Bylaw is for any reason held invalid by a Court or competent jurisdiction, the invalid portion will be severed and the severance will not affect the validity of the remainder.

27. REPEAL

Sunnyside Campground Bylaw No. 1151, 2019 and all amendments are repealed upon adoption.

28. EFFECTIVE DATE

This Bylaw will come into force and effect upon its adoption.

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 0550

SUBMITTED BY: Jacquie Spencer,
Manager of Visitor Services, Accommodations & Bylaw Enforcement

SUBJECT: Public Feedback Regarding Short-Term Rentals, Bed & Breakfasts, Secondary Suites and Home-Based Businesses

PURPOSE:

To provide the Board with an overview and synopsis of the public feedback following the community meeting regarding Short-Term Rentals, Bed and Breakfasts, Secondary Suites and Home-Based Businesses, held on February 3, 2020.

RECOMMENDATION:

THAT the Cultus Lake Park Board receive the Short-Term Rentals, Bed and Breakfasts, Secondary Suites and Home-Based Businesses Community Meeting Report for information.

DISCUSSION:

The Board identified short-term rentals, secondary suites, bed and breakfast and home-based business regulations as a strategic priority to deliver more accessible and consistent experiences for visitors and residents of Cultus Lake Park. A consultants report on short-term vacation rentals was considered by the Board on August 15, 2018. A letter regarding short-term rentals, secondary suites, bed and breakfast and home-based business regulations was sent to residents and a survey was held from September 20, 2019 to October 4, 2019 for community feedback. The results of the survey included: 75.21 percent in favor of properly managed and licensed Short-Term Vacation Rentals; 84.61 percent in favor of properly managed and licensed Bed and Breakfast Homes; 76.92 percent in favor of properly managed and licensed Home-Based Businesses; and 80.17 percent in favor of Secondary Suites.

A Community Meeting was held February 3, 2020 to gather feedback regarding short-term rentals, secondary suites, bed and breakfast and home-based business regulations, with the results attached.

Staff have developed proposed bylaws to address Short-Term Rentals and Home-Based Businesses for Board consideration at the March 18, 2020 regular meeting.

STRATEGIC PLAN:

This report does impact the Cultus Lake Park Board's Strategic Plan Initiative by seeking to continuously improve the customer experience.

Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses Community Meeting Report

February 28, 2020

Purpose of Report

- To provide an overview and synopsis on the outcome of the community meeting re: Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses held on February 3, 2020.

Overview

Written comments have been edited for brevity and clarity, and similar comments have been combined to avoid repetition. All efforts were made to ensure that this report contains a comprehensive and accurate overview of the community's feedback.

Cultus Lake Park is in the process of identifying and developing a process to effectively manage Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses. As a result of research undertaken on this subject matter, it was identified that there are upwards of 90 Short-term Rentals currently operating in the community with no oversight.

Community Engagement

The Cultus Lake Park Board held a community input meeting on February 3, 2020 from 6:30 – 8 p.m. at the Cultus Lake Community School. The purpose of the meeting was to engage the community in dialogue regarding how Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses should be managed in the Park.

The meeting was attended by approximately 100 members of the community and four Park Board Commissioners: Joe Lamb (Chair), Darcy Bauer, Larry Payeur and Casey Smit; Chief Administrative Officer, Bonny Bryant; and several staff members, who provided support.

The meeting format included four "Conversation Stations." They were:

- Overview of Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses
- Permits/Licences/Leases
- Bylaws and Enforcement
- Input, Feedback & Ideas

The Conversation Stations provided the opportunity for one-on-one or small group dialogue between Cultus Lake Park Board Commissioners, the Chief Administrative Officer, staff and community members.

At each Conversation Station, community members were provided with pens and post-it notes and were asked to write down concerns, feedback and ideas. In addition, community members emailed Cultus Lake Park with ideas, feedback and input.

Community Feedback

There were 23 emails and 80 post-it notes with comments submitted with ideas, feedback and input.

There was a great deal of community engagement at the community meeting and the submissions were thoughtful and substantial.

All information collected via email and submitted at the community meeting was reviewed in order to develop this report.

No personal or specific information provided in any of the feedback has been shared in this document. No comment or input is attributed to any one individual and no identifying details have been used. Some feedback representing similar ideas has been compiled for brevity. Every attempt has been made to ensure that all feedback has been accurately represented to the best of the writer's ability.

The intent of this report is to provide a useful synopsis of the feedback given by the community regarding Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses.

There were several overarching themes that emerged from the feedback. They are:

Clear Regulations and Defined Criteria Are Required

- Park staff should evaluate each property to determine maximum occupancy based on size of house/parking.
- Limit the number of guests allowed at any one time.
- Business insurance proof should be provided to the Park Office.
- There should be a limit on the number of homes allowed as Short-term Rentals (recommended 10%) or limit the number of Short-term Rentals on any street, then have a waiting list.
- Rental requirement should be that a person 25 years or older must be present at rental at all times.
- Secondary suites should meet official building codes.
- Develop a Park Code of Conduct of Behaviour – based on respect for environment, community, individuals and safety; create standardized rules for behaviour in the Park (to go along with house rules).
- Information on noise, garbage, smoking and other bylaws should be included in tenant information and in contract.
- All current suites are illegal and should be fined.
- No weekend-only rentals.
- Leaseholder must know who is in each rental.
- Neighbours should be included in the application process/be informed of approved licences/permits.
- Respect for neighbours is key.
- Renters must be clearly informed of community rules, bylaws, etc. including who to call for issues.
- Existing Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses must register.

- Nothing should happen to existing Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses.
- Having more than one of the four elements (Short-term Rental, Bed & Breakfast, Secondary Suite and Home-based Business) in the home should be allowed/should be done on a case-by-case basis.
- Home-based Business – homeowner only, no outside activities.
- Proper insurance must be in place.
- Building inspections are a must.
- A Bed & Breakfast should be separate from a Secondary Suite approval, if the sole purpose of the Secondary Suite is for a Bed & Breakfast. If at a later date the use is changed for a long-term rental, the person can then apply for the Secondary Suite through that application process.
- No signage for Home-based Businesses.
- No customers/clients visiting home for Home-based Businesses.
- Option for entire community to use one rental agency to simplify the process.
- Cultus Lake Park should be provided with contact information for homeowner/renter and this should be provided to security.
- A short-term rental operator meeting should be held early to discuss the previous year's successes and challenges.
- Establish an inspection program to ensure Short-term Rentals are complying with requirements.
- Short-term renters should be able to have visitors but not have people stay overnight.
- Pets should be at the discretion of the Short-term Rental operator.

Fees

- The Park should benefit from having Short-term Rentals.
- There should be additional dialogue with community regarding fees.
- Fees should be paid to the Park every time the home is rented (each renter).
- Consider Big White as an example for Short-term Rentals – apparently, they require registration of all rental properties and act as an agency for rentals. (Provides standard for renters and community and is a hub for issues and complaints. Fees for booking cover costs.)
- Request security deposit for fines.
- Charge fees every time a new renter comes in.
- Charge fee per night (\$5 Cultus Lake Park Board fee).
- Residents who do not have a Short-term Rental, Bed & Breakfast, Secondary Suite or Home-based Business should not have to pay for costs created by these elements.
- Only Short-term Rentals run as full-time businesses (not by families supplementing their income/covering expenses with limited rentals) should be charged fees.
- Make the permit/licence a reasonable cost.

Timing is Important

- The 2020 rental season is coming up – and there is a demand for Short-term Rentals for this coming season at Cultus Lake Park. It is crucial for renters to understand and have time to make applications and receive permits/licences.

Costs/Use of Resources

- If people rent a Cultus Lake Park home, the renters take the place of the owners – there are no increased costs because of Short-term Rentals, Bed & Breakfasts, Secondary Suites or Home-based Businesses.
- More Park resources are used as a result – increase in garbage, strain on sewer and water systems, etc.

Cultus Lake Park Should Not Be Involved

- Cultus Lake Park Board continually tries to make money off residential leaseholders.
- Cultus Lake Park should have the same role as they do for long-term rentals – none.
- Chair Lamb has a conflict of interest and should recuse himself from the process.

Bylaw Enforcement Is Crucial

- There are bylaws already in place to handle all of this.
- Bylaws must be enforced – including 11 p.m. “quiet time.”
- Bylaws should include how to govern “parties.”
- Bylaw enforcement must be increased. (For example, first infraction – fine, second infraction – fine doubles, third infraction – fine triples, fourth infraction – cancel licence.)
- If three nuisance/noise complaints occur during a three-month period, an auto renew of the option to terminate/buy out lease should occur at the next Board meeting.
- False Alarm Bylaw in Maple Ridge is a good example – \$150 for the first call-out fee, \$300 for the second, \$600 for the third, and \$1,200 for all subsequent call-outs.
- In the summer, security must go past 7 p.m.
- “Citizens on Patrol” was previously very successful in monitoring infractions and reassuring leaseholders.
- Leaseholders should be notified of bylaw infractions immediately to allow them to hold back money to cover cost of fine.
- In Whistler, if there is a noise complaint (even a banging door), the owner of the unit is emailed and immediately fined.
- Fine owners the same as renters.
- Allow RCMP to decide if it requires a bylaw infraction.
- Permits/licences should be renewed annually to ensure compliance with rules/bylaws; should be issued for the duration of ownership.
- Short-term Rentals should be permitted for a short time period; all applications get put into a draw and only a defined number can be licensed. They are licensed for one to three years and then another draw takes place.
- Non-compliance with rules/bylaws needs to be addressed swiftly.
- Fines to renter/homeowner for non-compliance.
- There should be a charge to the homeowner every time a Park employee has to attend to the house because of a renter, whether there is a fine or not.
- Zero tolerance for chronic complainers might be an idea.
- Current bylaws should be enough (there are enough bylaws in place).
- There should be a way to put forward a case that does not fit within the new bylaws or criteria. It should be reviewed on its own merit.
- A hierarchy of concerns relative to permit/licence standards could be:
 1. Occupant safety in the rental;
 2. Ease of operation and administration of the regulatory system; and

3. Revenue from the system.

- A multi-year implementation plan that addresses first year and follow-up year requirements and any issues/concerns should be in place.
- Establish occupant safety policy – with fire response plan created by homeowner and submitted to Cultus Lake Park.
- Implement a permit/licence in which the obligation of the Short-term Rental operator and the Park Board to patrol and enforce bylaws is clearly stated.

Most Rentals Are NOT a Full-time Business/Are Not There to Make Money (But to Cover Expenses)

- Many people rent out their cabins so that they can afford them.
- Those who do rent them out to help with costs are responsible and make sure that whoever stays there understands the rules and guidelines of the Park.
- It is important to use data to identify the impact of Short-term Rentals (one to three or four nights) vs. weekly (five nights and more).

Garbage

- Create a “walk-up” garbage service and require all Short-term Rentals to subscribe (Palm Springs example).
- Make garbage pick-up weekly in June, July and August.

Parking Is an Issue

- Current parking limitations and allowances should remain in effect.
- Parking is an issue for overnight guests – needs a solution.
- Open a parking lot overnight for guests.
- Motorhomes, trailers and campers at people’s homes should no longer be allowed for more than 24 hours, unless Park is notified.
- Motorhomes, trailers and campers should not be parked at forest for longer than one week.
- Parking limitations should be held to passes issued to leaseholders.
- Current bylaw for overnight parking needs to be changed.
- Put restrictions on maximum number of people (not just overnight guests) and vehicles at one time at a property.

When Regulated, Short-term Rentals Are an Asset to a Community

- Cultus Lake Park Board should manage Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses.
- Homes occupied during the off-season deter crime.
- There are rarely problems with Secondary Suite long-term rentals; they become a part of the community.

Additional Concerns/Comments

- Secondary Suites do not pay their share of costs for utilities or services.
- Every home should have a water meter for incoming and outgoing sewer and be charged for what they use.
- What happens at the neighbour’s house is important.
- Short-term Rental guests do not care about the community.
- Short-term Rentals – two to three days usually means party time (poor neighbours).

- There needs to be a way to manage “over-complaining” neighbours.
- Parties should not be allowed.
- Trailers for renters should not be allowed.
- Concerns about Short-term Rental fee for those who do a small amount of renting to cover expenses and who take care that guests are aware of the rules – not the same as a Short-term Rental business.
- Concerns regarding stress on infrastructure such as the sewer system.
- No further development of existing parkland for residential housing.
- It is not fair that only Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses are being discussed and not longer-term rentals – there are issues there too.
- There is a big difference between renting a place in your home and being an absentee landlord.
- No new Short-term Rental permits should be granted.
- The lack of accountability of Short-term Rental leaseholders is extremely concerning.
- Three comments cited recent issues with Short-term Rentals near their homes.
- Ensuring a sense of community for residences is important.
- We admire the Board’s decision to take on “thorny” issues during your current mandate.

Questions

Defining Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses

- How are you defining each of the categories?

Economic Impact

- What is the economic impact of licensing these commercial uses?

Current Situation/Data

- How many Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses are there now?
- Where is the data for why we need this now – or has it always been this way?
- What were the numbers of Short-term Rentals in: a) 1980; b) 1990; c) 2000; and d) 2010?
- What value do Short-term Rentals have on the local economy?
- What effect will Cultus Lake Park regulations have on the current value that Short-term Rentals bring to the local community?
- What is the breakdown of noise complaints between Short-term Rentals, Bed & Breakfasts and Secondary Suites compared to full/part-time residents?
- Has Cultus Lake Park received any complaints surrounding Short-term Rentals? How many?

Benefits to Cultus Lake Park

- Is there a financial benefit to Park revenue due to overnight visitors?
- Cultus Lake Park promotes visits to the Park through partnership with Tourism Chilliwack. Are Short-term Rentals helpful to that promotion?

Management of Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses

- How will you monitor “additional parking” and “adequate servicing?”
- What will be the fine for failing to apply for a licence?
- Do you have the technology in place to track these licences?
- How will applications be accepted?
- Do you have the technology in place to track complaints?
- Will you be concerned about leaseholders having proper insurance in place?
- In regard to the Regional Tax that Airbnb collects in the province, have you checked to see if Airbnb is collecting in the Park area and where that tax is being submitted? FVRD?
- Will you limit the number of Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses?
- Do you receive reports of complaints from the RCMP in regard to infractions that these categories are called on and are you able to document them on the leaseholder file?
- If the leaseholder uses a property manager who is licensed, will the leaseholder also need a business licence?

Leases

- The Residential Tenancy Act says that any rental over 30 days is a long-term rental and the Act applies. In Cultus Lake Park, since we are all leaseholders, this would imply a sub-lease. Do the current leases accommodate sub-leases in this regard, or will the new Version 5 of the lease address this?
- If a tenant has an issue with a landlord, will Cultus Lake Park Board need to be included in the dispute?

Occupancy

- How would occupancy be monitored? By neighbours?

Bylaws/Enforcement

- What is the definition of a “party” for an owner or renter?
- Will bylaw enforcement be available 24/7/365 for reporting of infractions related to complaints on Short-term Rentals?
- Noise after 11 p.m. is not supposed to be allowed, but how and when is this enforced?
- Who should a neighbour call for a noise or parking complaint, or if people are on the docks drinking and throwing beer bottles into the lake?
- Has Cultus Lake Park already drafted the bylaws to permit and license the commercial use on residential leaseholders' property and are now looking for input?
- Are there any other problems that the Park Board is addressing with the new bylaws?
- In the off-season, who will residents call to complain about noise, etc.

Specific to Secondary Suites

- Will stoves be allowed in Secondary Suites?

Specific to Home-based Businesses

- Will Home-based Business owners be allowed to post a sign on the exterior of their building indicating the business service?

- Will clients be permitted to attend to a Home-based Business? If so, what about parking, noise, odour, smoke, heat, etc.?
- Will the Home-based Business allow for the sale of products or materials?
- If the Home-based Business requires a business licence to operate in the Park – what else is needed?

Increased Costs

- Is there data on increased garbage, parking and utilities like sewer and water due to Short-term Rentals?
- Will Cultus Lake Park be included in the Provincial Government's speculation tax with Short-term Rentals, etc.?

Permits/Licences

- How will you determine the licensing fee?
 - How will the licensing fee be fair to those who only do weekly rentals in summer, but have a long-term tenant for the balance of the year?
 - How will you ensure that permit/licence fees are fair?
 - Will a larger home (more sleeping capacity – more people, garbage, vehicles, etc.) pay a higher fee than a small two-bedroom cottage?
 - Will fees be based on the amount of days the rental property is rented out?
 - Will fees be based on the percentage of rental income?
 - Are fees for a Short-term Rental that operates as a Short-term Rental the same as a home that only rents out in a very limited way?
 - Some Short-term Rentals are seasonal vs. annual – will there be a pro-rated cost?
 - What is the increase in lease cost or licensing for Secondary Suites or Bed & Breakfasts?
- If homes have already been rented for the summer, do fees apply for this year?
- If we rent for the short term (May – Sep), then what do we do if we want to rent for the off-season (Oct – Apr)?
- If you previously had a Short-term Rental and are now renting it full time, would there be any trouble in getting another permit for a Short-term Rental?
- If I have a Secondary Suite in my home but have no intention of renting it out, do I have to register it?
- If I am running a Bed & Breakfast out of my Secondary Suite already, do I first need to apply to have my Secondary Suite approved before I apply for a Bed & Breakfast permit?
- We know that there are Secondary Suites in the various neighbourhoods – has any leaseholder applied for Secondary Suite or Bed & Breakfast use?
- Do we assume that carriage lane houses fall into the Short-term Rentals, Bed & Breakfasts, Secondary Suites or Home-based Businesses categories? How many are there currently?
- At one time, Bed & Breakfasts paid for a business licence. Is there a reference in the bylaws regarding Bed & Breakfasts or only in Plan Cultus?

Real Estate

- Will approval for Short-term Rentals be pre-approved as a part of the sale of a lease/home?

Timeline

- What is the planned implementation date for the regulations?

Miscellaneous

- What happens if renters bring a boat? Where do they tie up?

Additional Comments

- There was one comment regarding Sunnyside that was not about Short-term Rentals, Bed & Breakfasts, Secondary Suites and Home-based Businesses.
- There were seven comments regarding the format of the meeting. Five did not like the format and two did. The comments included:
 - It was hard for some meeting attendees to hear the conversations at each Conversation Station.
 - The participant wanted answers, not to provide input.
 - The participant felt that materials should have been given out prior to the meeting.
 - The participant prefers a Q&A format where they can hear other people's questions and concerns.
 - The participant thought the format was great and well-organized.
 - The participant thought the meeting was well-organized.

CULTUS LAKE PARK

RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 3900

SUBMITTED BY: Jacquie Spencer
Manager of Visitor Services, Accommodations & Bylaw Enforcement

SUBJECT: Proposed Short-Term Rental Bylaw

PURPOSE:

The purpose of this report is to provide the Board with the proposed Short-Term Rental Bylaw.

RECOMMENDATION:

THAT the Cultus Lake Park Board give First and Second readings to the Cultus Lake Park Short-Term Rental Bylaw No. 1174, 2020.

DISCUSSION:

At the September 18, 2019 Cultus Lake Board meeting, approval was received by the Park Board to circulate a Survey via the Cultus Lake Park website and the Park Office requesting input from the residents regarding Short Term Vacation Rental, Home Based Business, Bed & Breakfast and Secondary Suites.

Letters to all leaseholders were mailed out informing them of the opportunity to share their views on these topics either by completing an online Survey Monkey or by dropping into the Park Office to complete a paper copy. The Survey was available to complete between September 20 and October 4, 2019.

At the October 16, 2019 Park Board meeting, the Cultus Lake Park Board received the Survey results for information. The results showed strong community support for Short Term Rental, Home Based Business, Bed & Breakfast and Secondary Suites. Due to these results, the Park Board provided direction to the Chief Administrative Officer to proceed with preparing procedures, policies and bylaws regarding managing these areas.

On February 3, 2020 a Community Meeting was held to gather public input on Short-Term Rentals, Home Based Businesses, Bed and Breakfasts and Secondary Suites. Staff have provided the results of this meeting with a report at the March 18, 2020 regular meeting.

Bylaw Compliance and Enforcement staff will monitor online booking sites such as AirBnB to ensure listed Cultus Lake Park properties are advertising with valid Short-Term Rental (STR) permits, as well as monitoring residential areas for noise and parking issues, for example.

The proposed STR fees are as follows:

Short-Term Rental Fee Structure

Nonrefundable Application Fee	\$150.00
12 month permit fee	\$1,000.00
1 week permit fee	\$125.00

This option provides leaseholders with the opportunity to operate for a select number of weeks throughout the year. The weeks are at the leaseholders discretion but would be required to be identified with the Park Office at the time of permit application. Enforcement measures for the 1-week permits would be the same to those of the 12 month permits. It is estimated that including the 1-week permit fee may be more labour-intensive administratively, but compliance rates may be higher with a 1 week permit as a result of the opportunity for leaseholders to tailor their STR permit timelines as they require.

Leasehold properties that operate STR's may be used differently than leasehold properties that are occupied seasonally or full-time. Homes that are occupied seasonally or full-time may have occupants that leave the Park for work or other business on a regular basis for work, school, or other activities. During these times of absence, water and sewer systems are not used. For STR guests, many of which book for week-long stays, the lake is likely the draw and therefore they will stay within the Park for the majority of their stay. While this is beneficial to Cultus Lake Park commercial businesses, there is also an increased strain on Park services such as water, sewer, staffing, garbage and parking. The STR guests will use beaches, wharves, playgrounds, public washrooms, and garbage facilities, and may have confusion regarding permitted parking. Full-time or seasonal residents and leaseholders may produce more consistent levels of garbage, and only use beaches, wharves and public areas when returning from work or school. Leaseholders and residents become accustomed to Park parking arrangements and are aware of overflow parking procedures.

Park staff must maintain the Park beaches, wharves, washrooms, playgrounds and public spaces. Administrative staff handle STR parking permit inquiries and other matters as they arise. The Bylaw Compliance and Enforcement department as well as security personnel will field complaints regarding STR's, and the RCMP may need to address issues from time to time. The cost of the impact of STR's on the Park is considerable. Currently, the cost and resources of these operations addressing STR's in the Park is borne by all leaseholders. By creating an application and permit fee for STR's, these costs will be paid by those leaseholders operating the STR's.

Staff also considered STR permit fees of approximately 12 other municipalities. Sun Peaks had the highest at \$1,500.00, and Vancouver had the lowest at \$51.00.

With regards to the proposed bylaw, section 3.2 states:

"For a Leaseholder to be eligible to apply for a Short-term Rental permit and to operate a Short-term Rental within the Park they must be entered into the Cultus Lake Park Building Site Lease that allows for this usage of the residence."

This is necessary as the current residential leases do not provide for this use. Upon approval of a STR permit, the leaseholder will be required to enter into V5, Cultus Lake Park Building Site Lease. The current fee for the new lease is \$250, and any applicable filing fees, and payment will be required at that time.

To aid the financial administration of the permit process, section 3.10 states:

"The permit will be valid for (1) year, to commence on January 1 and to be terminated on December 31 of each year. Fees will not be prorated."

To ensure an STR permit is provided to leasehold accounts in good standing, section 4.1 has been included:

"Prior to any leaseholder applying for a Short-term Rental permit they must ensure that all outstanding fines, fees and encumbrances are removed, via payment or compliance, from title."

Leaseholder accountability for STR's was a high priority from the results from the Community Meeting, so section 4.5 has been included to ensure there will always be a contact point:

"All Short-term Rental applicants must provide contact information for one (1) local contact, other than the applicant, who is available on a 24/7 basis, during the use of Short-Term Rental by a guest, to respond within thirty minutes to any telephone enquiries regarding the Short-term Rental, and who have consented to the applicant to allow their contact information to be made available to the Cultus Lake Park staff."

STRATEGIC PLAN:

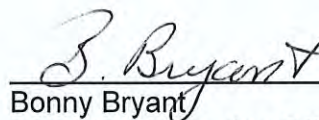

This report does impact the Cultus Lake Park Board's Strategic Plan Initiative by seeking to continuously improve the customer experience.

SHORT-TERM RENTAL BYLAW

Bylaw No. 1174, 2020

A Bylaw to regulate Short-term Rentals.

Section 12 of the *Cultus Lake Park Act* (1932 and Amendments) enables the Cultus Lake Park Board to adopt Bylaws, and Section 9.2 (1) provides that Section 260 – Enforcement Powers of the *Community Charter* apply to the enforcement of the Bylaws of the Board, and Section 261 – Payment of Fines and Other Penalties to Municipality under the *Community Charter* provides that fines and other penalties imposed and collected under or because of a Cultus Lake Park Bylaw must be paid to the Park.

Every person who offends against any of the provisions of this Bylaw or who suffers or permits any act to be done in contravention or in violation of any of the provisions of this Bylaw, or who neglects to do or refrains from doing anything required to be done by any of the provisions of this Bylaw, or who does any act or thing which violates any of the provisions of this Bylaw, will be in breach of this Bylaw, and will be liable to the fees as outlined in Schedule A of this Bylaw and the fines and provisions as outlined in the “Cultus Lake Park Bylaw Notice Enforcement Bylaw No. 1140, 2019”.

The Cultus Lake Park Board in open meeting assembled, enacts as follows:

1. TITLE

- 1.1 This Bylaw may be cited as “Cultus Lake Park Short-term Rental Bylaw No. 1174, 2020”.

2. INTERPRETATION

- 2.1 Words or phrases defined in the *British Columbia Interpretation Act*, *Motor Vehicle Act*, *Local Government Act*, *Community Charter* or any successor legislation, will have the same meaning when used in this Bylaw unless otherwise defined in this Bylaw.

2.2 DEFINITIONS OF TERMS

“**Applicant**” means the leaseholder that is applying for a Short-term Rental permit.

“**Board**” means the elected Board for Cultus Lake Park.

“**Bylaw Compliance and Enforcement Officer**” means a person acting as a Cultus Lake Park Bylaw Compliance and Enforcement Officer, or any other person acting in another capacity on behalf of the Cultus Lake Park Board.

“Bylaw Notice” means a ticket issued under the Cultus Lake Park Bylaw Notice Enforcement Bylaw No. 1140, 2019.

“CAO” means the Chief Administrative Officer; a position appointed by the Board.

“Fee” means a fee charged as outlined in Schedule “A” of this Bylaw.

“Leased lot” means land, with or without improvements, located within the Park, used for residential and/or commercial purposes.

“Leaseholder” means a person(s) having a current and valid lease with the Cultus Lake Park.

“Park” means the area within the Park boundaries as outlined in the *Cultus Lake Park Act, 1932*, and the foreshore assigned to the Park by the Province of British Columbia.

“Park Staff” means any person employed by the Park.

“Permittee” means a leaseholder who holds a valid permit from Cultus Lake Park to operate a Short-term rental.

“Post/Posted” means keeping continuously displayed in a conspicuous area of the home.

“Resident” means the leaseholder or a person(s) renting a residence within the Park as a permanent address from a leaseholder.

“Short-term Rental” means the rental of all or a portion of the residence, used to provide accommodation, for a period of less than thirty (30) days.

“Substantiated” means that a reported Bylaw violation was investigated, and credible evidence was gathered that supported the reported allegation.

2.3 In this Bylaw, unless the context otherwise requires, the singular will include the plural and the masculine includes the feminine gender.

2.4 The headings contained in this Bylaw are for convenience only and are not to be construed as defining, or in any way limiting, the scope or the intent of the provisions of this Bylaw.

3. GENERAL REGULATIONS

3.1 No Leaseholder or Resident will operate a Short-term Rental within Cultus Lake Park without a valid Short-term Rental permit issued from Cultus Lake Park.

3.2 For a Leaseholder to be eligible to apply for a Short-term Rental permit and to operate a Short-term Rental within the Park they must be entered into the Cultus Lake Park Building Site Lease that allows for this usage of the residence.

- 3.3 All Short-term Rental permittees are solely responsible for providing guests with adequate parking and valid parking permits as per the Cultus Lake Park Parking and Traffic Regulations Bylaw No. 1154, 2019 and all amendments.
- 3.4 All Short-term Rental permittees will ensure all garbage, recycling and green waste bins are secured within the leased lot and only roadside during Pick up Time.
- 3.5 All Short-term Rental permittees are responsible for all garbage clean up, within two hours of being notified there is garbage clean up required.
- 3.6 All Short-term rental permittees will keep a copy of the permit posted in a conspicuous place in the premises.
- 3.7 All Short-term Rental permits issued under this Bylaw are nontransferable.
- 3.8 All Short-term Rental permits issued under this Bylaw are nonrefundable.
- 3.9 Annual Short-term Rental permits will be valid for (1) year, to commence on January 1 and to terminated on December 31 of each year and fees will not be prorated.
- 3.10 Weekly Short-term Rental permits will be valid for the date specific weeks applied and paid for. Permittees must contact the Cultus Lake Park office, no less than seven (7) business days prior to receiving a weekly permit.
- 3.11 No person may obstruct a Bylaw Compliance and Enforcement Officer in the fulfilment of his or her duties under this Bylaw.

4. PERMIT APPLICATION PROCESS

- 4.1 Prior to any leaseholder applying for a Short-term Rental permit they must ensure that all outstanding fines, fees and encumbrances are removed, via payment or compliance, from title.
- 4.2 All Short-term Rental applicants must submit a Garbage Management Plan, beyond Cultus Lake Parks bi-weekly garbage and weekly recycling and greens waste scheduled service.
- 4.3 All Short-term Rental applicants must provide contact information for one (1) local contact, other than the applicant, who is available on a 24/7 basis, during the use of Short-Term Rental by a guest, to respond within thirty minutes to any telephone enquiries regarding the Short-term Rental, and who have consented to the applicant to allow their contact information to be made available to the Cultus Lake Park staff.
- 4.4 All Leaseholders for the proposed Short-term Rental property being applied for must provide written consent agreeing to the property being used as a Short-term Rental.
- 4.5 Applicant must submit application form, along with all supporting documentation required as noted on the application, to the Cultus Lake Park office.
- 4.6 When the application is submitted to the Cultus Lake Park office for processing, the applicant will be required to pay the non-refundable application processing fee.
- 4.7 All Short-term permit applications will be reviewed and approved or denied by the CAO.

- 4.8 The applicant will be notified on the status of the application.
- 4.9 If approved, the applicant will be required to pay the Short-term Rental permit fee.
- 4.10 Once the Short-term Rental permit fee has been received, the applicant will receive a Short-term Rental permit and permit number.

5. PERMIT RENEWAL PROCESS

- 5.1 Annual Short-term Rental permit renewal form and invoices will be mailed from the Cultus Lake Park office to the Short-term Rental permittee no later than 30 (thirty) days prior to the expiration date of December 31, of each year. If payment is not received by the due date a new application and application fee will need to be processed.
- 5.2 Weekly Short-term Rental permits will be subject to a new application and application fee every three (3) years.
- 5.3 Upon submission of a renewal for a Short-term Rental permit, Park staff will review Park records to determine if there any concerns with the Short-term Rental. In considering an application for a Short-term Rental permit renewal, the Park staff may;
 - (a) consider whether a Short-Term Rental permit held by the applicant has been revoked in the preceding two (2) permit periods;
 - (b) consider not renewing the permit, if there are Park records that show there were more than three Substantiated reports of any Cultus Lake Bylaw violation occurring at the residence while it was rented out; or
 - (c) withhold approval of a permit if an applicant and/or leaseholder has outstanding unpaid penalties issued under the Bylaw Notice Enforcement Bylaw No. 1140, 2019.
- 5.4 Once the renewal process is complete and the applicant has their new permit, the permittee must ensure they continue to abide by all the conditions for operating a Short-term Rental as set out in this Bylaw and pay the renewal fee.

6. ADVERTISING AND ONLINE BOOKING PLATFORM REGULATIONS

- 6.1 Every online advertisement for a permitted Short-Term Rental must disclose:
 - (a) a valid permit number;
 - (b) the maximum number of parking space available to guests at the residence and exact location of parking available for permits issued that may exceed allowable parking spaces at the residence; and
 - (c) the maximum permitted guest-occupancy applicable to the Short-term Rental.
- 6.2 No advertising signs will be placed on the leased lot.

7. REVOKING CANCELLATION OR REFUSAL OF PERMIT

- 7.1** Revoking, cancellation or refusal of a Short-term Rental permit will be at the sole discretion of the CAO in consultation with the Manager of Visitor Services, Accommodations and Bylaw Enforcement.
- 7.2** Where the application for a Short-term Rental permit is refused, or a Short-term Rental permit is cancelled or revoked, notice will be provided to the applicant or permittee who is subject to the decision. The applicant or permittee is entitled to have the Board reconsider the matter.
- 7.3** A notice under Section 7.2 of this Bylaw, will be issued to the applicant or permittee or delivered by registered mail to the address given by the applicant or permittee on the application for the permit within 14 days.
- 7.4** An applicant or permittee who wishes to have the Board reconsider the refusal, revocation or cancellation of a Short-term Rental permit will give written notice of its request for reconsideration to the CAO and such notice must include a description of the grounds upon which the request for reconsideration is made. Such request must be made within 28 days of the date on the letter noted in Section 7.3 of this Bylaw. Where the request for reconsideration has not been received within the time period specified, the applicant will have lost the right for reconsideration.
- 7.5** Upon receipt of a written notice under Section 7.4 of this Bylaw, CAO will respond within 28 days.

8. FEES AND FINES

- 8.1** All leaseholders, residents, visitors, and persons are subject to the fees as outlined in Schedule A of this Bylaw and the provisions and fines as outlined in Cultus Lake Park Bylaw Notice Enforcement Bylaw No. 1140, 2019 and Schedule A-16 in that Bylaw.
- 8.2** Each occurrence or day that a contravention of the provisions of this Bylaw exists or is permitted to exist will constitute a separate offence.
- 8.3** See Schedule A for the list of Fees.

9. SEVERABILITY

If any part of this Bylaw is for any reason held invalid by a court or competent jurisdiction, the invalid portion will be severed and the severance will not affect the validity of the remainder.

RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 3900

SUBMITTED BY: Jacquie Spencer
Manager of Visitor Services,
Accommodations & Bylaw Enforcement

SUBJECT: Home-based Business and Commercial Business Licenses

PURPOSE:

The purpose of this report is to provide the Board with the proposed Home-based Business and Commercial Business License Bylaw.

RECOMMENDATION:

THAT the Cultus Lake Park Board give First and Second readings to the Cultus Lake Park Home-based Business License Bylaw No. 1175, 2020.

THAT the Cultus Lake Park Board give First and Second readings to the Cultus Lake Park Commercial Business License Bylaw No. 1176, 2020.

DISCUSSION:

At the September 18, 2019 Cultus Lake Board meeting, approval was received by the Park Board to circulate a Survey via the Cultus Lake Park website and the Park Office requesting input from the residents regarding Short Term Vacation Rental, Home Based Business, Bed & Breakfast and Secondary Suites.

Letters to all leaseholders were mailed out informing them of the opportunity to share their views on these topics either by completing an online Survey Monkey or by dropping into the Park Office to complete a paper copy. The Survey was available to complete between September 20 and October 4, 2019.

At the October 16, 2019 Park Board meeting, the Cultus Lake Park Board received the Survey results for information. The results showed strong community support for Short Term Rental, Home Based Business, Bed & Breakfast and Secondary Suites. Due to these results, the Park Board provided direction to the Chief Administrative Officer to proceed with preparing procedures, policies and bylaws regarding managing these areas.

On February 3, 2020 a Community Meeting was held to gather public input on Short-Term Rentals, Home Based Businesses, Bed and Breakfasts and Secondary Suites. Staff have provided the results of this meeting with a report at the March 18, 2020 regular meeting.

Further, the *Cultus Lake Park Act* (1932 and Amendments) Section 14 gives the Board the authority to grant business licenses through implementation of Bylaws approved by the Board.

The Cultus Lake Park Board will request that all Home-based and Commercial businesses attain an annual Business License as established in the respective Bylaws.

Attached for your review are the proposed Bylaws for Cultus Lake Park Home Based Businesses Licences and Commercial Businesses Licences.

STRATEGIC PLAN:

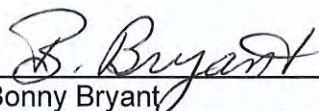

This report does impact the Cultus Lake Park Board's Strategic Plan Initiative by seeking to continuously improve the customer experience.

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 0550

SUBMITTED BY: Bonny Bryant,
Chief Administrative Officer

SUBJECT: Purchase of additional land - 216C Lakeshore Drive

PURPOSE:

To provide the Cultus Lake Park Board with information to consider the sale and transfer of additional lands at 216C Lakeshore Drive to Mr. Graham Williams.

RECOMMENDATION:

THAT the Cultus Lake Park Board approve the sale and transfer of 34 m² to Mr. Williams for the construction of a home on 216C Lakeshore Drive. The price will be set at \$1,040.70 per square meter for a total \$35,383.50.

THAT the Cultus Lake Park Board direct the Chief Administrative Officer to enter into an in-kind agreement with Mr. Williams to improve the present parking lot on Lakeshore Drive by increasing its capacity and efficiency in exchange for the 34 m² land sale and transfer as outlined in this report.

DISCUSSION:

The owner of 216C Lakeshore Drive Graham Williams is planning to build a home on this property. On April 16, 2016 he applied for a variance when the planning function still resided with Cultus Lake Park. At that time the following resolution was carried (attachment #1):

That the Cultus Lake Park Board authorize the issuance of a Development Variance Permit to facilitate the construction of a new single-family dwelling at 216B Lakeshore Drive; and

That the variance to reduce the rear line setbacks to Monroe Avenue from 1.83 to 0.9m (plus overhang) be approved.

That the Board offer to sell 4 feet on the south side of 216B Lakeshore Drive to Graham Williams at fair market value.

The reason for the sale of the additional four feet and the variance would allow Mr. Williams to parking off of Monroe rather than Lakeshore Drive thus retaining the five public parking spaces on Lakeshore Drive. The property purchase went ahead with the subsequent transfer of the requested 22.382 square meter parcel which bordered 216B Lakeshore Drive. Upon completion of the sale and transfer, 216B was now identified as 216C with the legal description of Lease Lot 216CQ, 213.5m² (0.053 Acres). The agreed upon price for the 22.382 square meter parcel was set at \$1,040.70 per square meter, for a total of \$23,292.95. (See attachment #2).

Mr. Williams was out of the country for over a year and when he returned the planning function had moved over to FVRD. Mr. Williams appeared before the Board on August 21, 2019 indicating that the previous approved Cultus Lake Park Board variance from 2016 was now not recognized by the FVRD and he would have to reapply for a new variance as the approval granted under the Specified Area Bylaw was now expired. In addition, new rules with respect to parking now applied making it very difficult for him to now accommodate two parking spaces within the lot lines on Monroe. So, he was now back to having to accommodate his parking on the Lakeshore Drive side that would put the public parking spaces in jeopardy. The Chief Administrative Officer was directed to write the FVRD to request that the DVP approved by the Board in 2016, be accepted by FVRD. This request was denied by the FVRD.

All three parties (FVRD, CLP, and Mr. Williams) met on December 5, 2019 at the FVRD to review opportunities to access the lot from Monroe Avenue so that public parking on Lakeshore Drive could be maintained. It was decided that if CLP could sell Mr. Williams an additional eight feet to accommodate the cantilevered roof and deck with no physical structures in the ground (essential the airspace) than FVRD would be flexible in the setbacks on the DVP. This would allow for two parking spaces on Munroe Avenue and preserves the public parking area on Lakeshore Drive.

As you will see in the next report on this agenda, Mr. Graham Williams has applied to FVRD for a Development Variance Permit to:

- Reduce the interior lot line setback to the building wall on the south property line from 1.2m to 0.60m; and,
- Reduce the setback to the eaves, gutters, deck and sunlight control structures from the same lot line from 1.05m to 0m.

With respect to the construction of a new single-family dwelling on the lot at 216B Lakeshore Drive in Cultus Lake Park.

Mr. Williams provided the following reasons in support of his application: 1) to support the provision of off-street parking off Munroe rather than off Lakeshore where existing public parking spaces prevent access to the lot; and, 2) to facilitate the desired house design. Mr. Williams feels that accessing the lot from Munroe, rather than Lakeshore, results in a reduction in usable floor area within the proposed dwelling and the variance is needed to accommodate both parking off Munroe and his desired house design. While access/parking from Lakeshore would impact only the basement level of the house, access/ parking from Monroe would impact prime floor area within level of the home that is approximately at grade with Monroe Avenue.

Mr. Graham Daneluz, Director of Planning & Development with the FVRD was requested if the sale of additional lands on the vacant CLP unusable property adjacent to the 216C Lakeshore was allowable under the present zoning bylaw. He replied (attachment #3) that lot 216C is zoned Hillside Residential (R-4). If CLP were to sell Mr. Williams the 8 feet the entire lot would remain zoned R-4 because the zone boundary is intended to follow the lot boundary.

The land in question for this potential sale is park property that is unusable because of a number of factors such as a creek runs through it and the steepness of the slope.

Staff are recommending that a total area of 34 m² be sold and transferred to Mr. Williams to enable him to provide two parking spaces on Monroe thus ensuring that the public parking spaces on

Lakeshore Drive are preserved. The price will be set at \$1,040.70 per square meter (the same price per square meter as the previous sale) for a total \$35,383.50 (attachment #4).

In addition, I am requesting that I be approved to enter into negotiations with Mr. Williams that services in kind be used for this land sale and transfer. The in-kind services would include moving back the parking spaces into the hillside and a retaining wall be installed, the fire hydrant be moved to create more parking spaces and efficiencies in the present parking lot. In addition, Mr. Williams indicated he will beautify the area with additional trees and shrubs.

I will ask Mr. Williams to provide a drawing of the work to be completed. I will request a quote from another contractor on the cost of this work. Thus, ensuring a fair and equitable exchange for the 8 feet of property, anything below the sale price will be provided in cash by Mr. Williams.

I have included three letters of support from the August 21, 2019 Board meeting (attachment #5).

STRATEGIC PLAN:

This report does not impact the Cultus Lake Park Board's Strategic Plan Initiative.

Prepared by:

Bonny Bryant
Chief Administrative Officer

(a) Development Variance Permit for 216B Lakeshore Drive

- Report dated April 6, 2016 from Ian Crane, Manager of Community Services
- Emails dated March 24, 2016 from Rosemary Geddes Lee, and March 25, 2016 from Nanette Vye and Fred Granzow opposing applicant acquiring designated parking spot.

On Table submissions received after the agenda was distributed:

- Letter dated April 5, 2016 from Diane Catt and Charlie and Jeff Fortin opposed to setting a precedent for exclusive parking; and
- Email dated April 5, 2016 from Duane Lawson expressed concern with interior side setback being reduced to 0 as it may take away some of his view; and
- Email dated April 6, 2016 from Jan and Richard Cousins opposing the variance request for an exclusive parking spot.

The Manager of Community Services gave a brief description of the requested variances for the property and noted that the request for an exclusive parking spot would not be addressed in a Development Variance Permit application.

The applicant, Graham Williams advised that he was encouraged to build the house in this manner to retain 5 parking spots on Lakeshore Drive. By applying for the variance he can have parking off of Monroe rather than Lakeshore. By granting his additional building area he is able to accommodate parking for himself on Monroe. He had spoken with the FVRD and they had no objections to the proposal. The Fire Department also had no objections or concerns regarding access and turn around area. His intent is to build a two storey house with landscaping at the bottom of this property.

The Manager of Community Services clarified that if a variance is given for a 0 lot line variance, the applicant can build up to the lot line.

Public Input

Jeff Iverson – parking is very limited in the area and spoke in support of the application in order to allow for the applicant to have two parking spots off of Monroe. He requested that if he is able to get two parking spots on Monroe that the request for one exclusive parking spot be removed. The Board advised they would not deal with parking under the Development Variance Application. Mr. Lawson advised that he also submitted an email to Bonny Bryant opposing the request for an exclusive parking spot and that he would resubmit it.

Terry Woodrow - spoke in favor of the variance but did not agree with selling additional land.

Bob McCrea - spoke in support and added there is already a house on Monroe Ave. that has parking at the front and back.

Max Newhouse – asked why Cultus Lake Park did not sell a portion of property so he may have additional parking at the top.

There was no further input from the public.

The Board requested that the resolutions be dealt with separately.

Hi Bonny,

Lot 2016B is zoned Hillside Residential (R-4). If there is a minor adjustment to the boundary of the lease lot, the entire lot would remain zoned R-4 because the zone boundary is intended to follow the lot boundary.

Let me know if you need anything further.

Subject: Parking

Myself and my wife have lived at 27 Lakeshore Cultus Lake for 24 years.

Parking spots have always been very limited.

Many homes on Lakeshore Dr. only have one available parking spot on their property and no spot for a second vehicle or for family or friends.

This is a common problem at Cultus Lake and in order to help alleviate this problem it would appear it has been decided to require new construction to provide for 2 parking spots on the lease property. We support this requirement when it results in easing the parking problem.

We understand that the owner of the lot above us 215 has applied for a variance to provide for parking on Monroe for his new construction. He already arranged to purchase more land from the Parks Board.

To not allow for parking on Monroe would mean new construction would result in the losing of up to 4 of the very limited parking spots on Lakeshore. This appears to be contrary to the intent to alleviate the parking problem.

We hope a reasonable solution can be found for this problem without the loss of any parking spots on Lakeshore. Thanks for your consideration.

To the Planning Department,

I live at 23 Lakeshore Drive and must park my car in one of the parking spots opposite #27 Lakeshore as we have 2 cars and only 1 spot in front of our house to park.

Above the parking spots that I use is a lot #216 Lakeshore Drive owned by Mr. Graham Williams. Mr. Williams previously applied for and was approved for a variance to allow for parking of 2 cars on the street above called Munroe avenue.

Unfortunately, as I was informed, six months passed and he had not yet started to build on his property.

In order to protect our limited number of parking spots on Lakeshore Drive, I am requesting that you approve a variance which would allow him to build his house with 2 parking spots on Munroe Avenue instead of making him use our limited parking spots on Lakeshore Drive.

Thank you for consideration of this important matter.

Sincerely,

Dr. Geoffrey W¹ Iverson

Attention Planning Department,

Over the 47 years we have lived on Lakeshore Drive, parking has become a problem. In particular, many of the houses on the west side of Lakeshore (200 numbers), are high above road level, must access and park on Monroe. The lot at 215? Is no exception. The owners (G. Williams) of that lot applied for a variance to accommodate parking from Monroe for that reason, as with other properties in that area. If denied, not only would it take away 4+ park spaces on Lakeshore, it would be an unnecessary challenge for the builder. Parking off Monroe on this piece of property makes good sense.

We sincerely hope you consider this lot for the variance requested, which would solve not only the parking problem on Lakeshore Drive but allow a much better parking situation for lot 215?

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 216C

SUBMITTED BY: Bonny Bryant,
Chief Administrative Officer

SUBJECT: Development Variance Permit 216C Lakeshore Drive

PURPOSE:

For the Board to consider the issuance of a Development Variance Permit to reduce an interior lot line setback which is adjacent to the Cultus Lake Park Land.

RECOMMENDATION:

***THAT** the Cultus Lake Park Board supports the issuance of a Development Variance Permit for 216C Lakeshore Drive to reduce the setback distance 0.6m from the dwelling and a 0m setback for the eave/gutter to the interior property line.*

DISCUSSION:

Details of the variance request are summarized in the attached report received from the Fraser Valley Regional District (FVRD) Planning and Development Department. In discussion with Mr. Graham Daneluz, Director of Planning & Development FVRD if the Cultus Lake Park Board approves the sale of the additional lands to the applicant this DVP will still have to be considered. Mr. Daneluz provided the following reasons:

Mr. Graham Williams has applied to FVRD for a Development Variance Permit to:

- Reduce the interior lot line setback to the building wall on the south property line from 1.2m to 0.60m; and,
- Reduce the setback to the eaves, gutters, deck and sunlight control structures from the same lot line from 1.05m to 0m.

With respect to the construction of a new single-family dwelling on the lot at 2016B Lakeshore Drive in Cultus Lake Park.

Mr. Williams provided the following reasons in support of his application: 1) to support the provision of off-street parking off Munroe rather than off Lakeshore where existing public parking spaces prevent access to the lot; and, 2) to facilitate the desired house design. Mr. Williams feels that accessing the lot from Munroe, rather than Lakeshore, results in a reduction in usable floor area within the proposed dwelling and the variance is needed to accommodate both parking off Munroe and his desired house design. While access/parking from Lakeshore would impact only the basement level of the house, access/ parking from Monroe would impact prime floor area within level of the home that is approximately at grade with Monroe Avenue.

Dear Ms. Bryant:

RE: DEVELOPMENT VARIANCE PERMIT APPLICATION FOR 216C LAKESHORE DRIVE, CULTUS LAKE PARK

The Fraser Valley Regional District has received a Development Variance Permit Application (DVP) related to the construction of a new single family dwelling on a residential lease lot in Cultus Lake Park. The variance request is to reduce an interior lot line setback which is adjacent to Cultus Lake Park land.

As the proposed variance relates to matters within the jurisdiction of the Park Board, we would very much appreciate comments from the Park Board on matters within the responsibility of the CLPB and the overall feasibility of the variance. Any comments the CLPB provides will be taken into account by FVRD when making a decision on the proposed variance.

Property Background and Variance Request

The lease lot at 216C Lakeshore Drive has an area of 213.6 m² (2299 sq. ft.) and an average width of 12m (39 ft.). The property has road frontage on both Munroe Avenue and Lakeshore Drive. There are currently 4 - 5 parking spaces on the CLP road between Lakeshore Drive and the subject lot. Additional property details are provided in Appendix A.

The lease lot is zoned R-4 (Hillside Residential) under *Cultus Lake Park Zoning Bylaw No. 1375, 2016*. The lease holder has requested to reduce the southern interior lot line setback for the dwelling and the eaves/gutters as follows:

Interior (South) Lot Line Setback		
	Single Family Dwelling	Eaves, Gutters
Required	1.2 metres (4 feet)	1.05 metres (3.4 feet)
Proposed	0.6 metres (2 feet)	0 metres (0 feet)
Requested Variance	0.6 metres (2 feet)	1.05 metres (3.4 feet)

The result would be a 0.6m setback from the dwelling and a 0m setback from the eave/gutter to the interior property line.

Variance Rational

The lease holder provided preliminary designs showing on-site parking and garage access from Lakeshore Drive. This design would result in the loss of existing on-street parking on Lakeshore Drive.

Subsequently, the applicant submitted a preliminary design with vehicle access and egress from Munroe Avenue. This option would provide ample on-site parking (2-3 spaces) to meet FVRD zoning requirements, and would preserve the existing parking on Lakeshore Drive. This design, with no variance, would result in a smaller area of habitable space than could be achieved with vehicle access from Lakeshore Drive. The applicant advises the variance will help to achieve a viable design with on-site parking that does not impact the parking on Lakeshore Drive. The proposed site layout is included in Appendix B.

The applicant is requesting the variance in conjunction with the potential lease of additional CLP lands. At this point in time, we are considering the variance on its own merits, regardless of any additional land purchase.

Important Considerations

In providing comments, the CLPB may wish to consider:

- Future use of the neighbouring lot. The setback variance may impact future construction on adjacent CLP lands.
- Leaseholder access to the neighbouring lot for house maintenance (gutter cleaning, etc.)
- Other relevant information

Next Steps

If possible, please consider this referral at the February 19, 2020 CLPB meeting so that the variance may be addressed by the FVRD Electoral Area Services Committee in March 2020. We request receipt of any comments by February 26, 2020 to avoid delay to the applicant.

Please contact me at 604-702-5484 or at jmundy@fvrd.ca with any questions or concerns.

Sincerely,

Julie Mundy

To whom it may concern;

Attached is a site plan drawing representing a proposed boundary adjustment and setback variances.

- We are proposing an 8-foot expansion of the lot to the south.
- We are proposing a reduced interior lot line setback on the south property line from 1.2m to 0.60m.
- We are proposing a reduction in the eaves, gutters and sunlight control interior lot line setback on the south side of the lot from 1.05m to 0m

The site plan is a visual representation of these variances. If you have any comments or questions, please contact us.

Dear Ms. Bryant:

Re: Referral of Development Variance Permit Application for 29 Lakeshore Drive, Cultus Lake Park

The Fraser Valley Regional District has received an application for a Development Variance Permit (DVP) in Cultus Lake Park. We are inviting you to provide comments on the application.

The DVP application is to permit an additional storey for a house at 29 Lakeshore Drive. The lease lot is zoned R-3 (Waterfront Residential) under *Cultus Lake Park Zoning Bylaw No. 1375, 2016*, which allows for a building to have a maximum of 2 stories, plus a basement or a crawlspace.

The DVP application is to allow three stories, plus a basement. The proposal will adhere to the maximum permitted height in the R-3 zone. A copy of the application is attached for your review.

Please identify your organizations comments related to the following:

- Applicable Cultus Lake Park bylaws or policies,
- Technical concerns, or
- Knowledge or information useful to the proposal

If we have not heard from you by **March 25, 2020**, we will proceed with processing of the application. Please do not hesitate to contact me should you have any questions, or if you need more time to provide comments.

Sincerely,

Digitally signed by Julie

(use separate sheet if necessary)

Reasons in Support of Application Extremely steep lot, 24ft below garage to ground.

Both existing neighbor to north & south are in support of the variance. The variance does not affect the height. Approx 10 lake front lot out of 107 have steep grades. Parking is an issue, this plan maximizes parking. Road Height & garage floor height does not work with this lot.

Cultus Lake Park Board

4165 Columbia Valley Road

Cultus Lake, BC V2R 5B5

To Whom it May Concern,

My wife and I have recently submitted an application to the Fraser Valley Regional District for a variance at 29 Lakeshore Drive. **The variance requested is to add a second basement to the dwelling to facilitate the house reaching the existing grade;** which sits at 24 feet below the crown of the road.

We are long time residents of Cultus Lake, presently residing at 45642 Rachael Place. In October 2019 we purchased 29 Lakeshore Drive with the intent to build our forever home. **The purpose of reaching out to the Park Office is to garner the Boards support for our variance application.**

Precision Design drafted our plan to maximize parking to alleviate some of burden from the common area parking. (Please refer to attachment A)

The consequences of designing a house with a garage on a steep lot is that we push our house further over the steep grade, unlike lots just south of us with similar grades and no garages. (For example, lots 32,33,35,36,37,38,40,43,44) These homeowners were able to keep the house tight to the bank reducing the drop in grade; sacrificing parking in process and adding additional congestion to the street.

Please find attached (schedule B) a Topography Survey from Vector that shows our lot sloping 24 feet or 7.35 meters from the center of road to back of lot. The distance from the floor in the garage to existing grade is over 22 feet.

The plans we recently submitted to the FVRD meet the both the current height restrictions and other property setbacks. We are not planning on building our home higher than other homes in the area, simply looking for a common sense approach to get from bottom of garage floor to existing grade that maintains curb appeal for both ourselves and the neighboring properties.

Our submitted proposal, by **Precision Design**, is a combination of crawlspace and part full height basement that works well with the existing slope of the lot. The current zoning seems to work with the majority of lots, however out of the 107 lake front parcels, only about 10 have the steep terrain similar to that of lot 29 Lakeshore Drive.

With a maximum allowable basement height of 9 Ft. and no option to put in a crawl space we are tasked with looking at other options to get house up to the existing ground level.

There are several other homes on Lakeshore drive that have set a precedent for this already and the home under construction located at 309 Monroe received this variance as well. We look forward to your support on this matter.

Kind regards

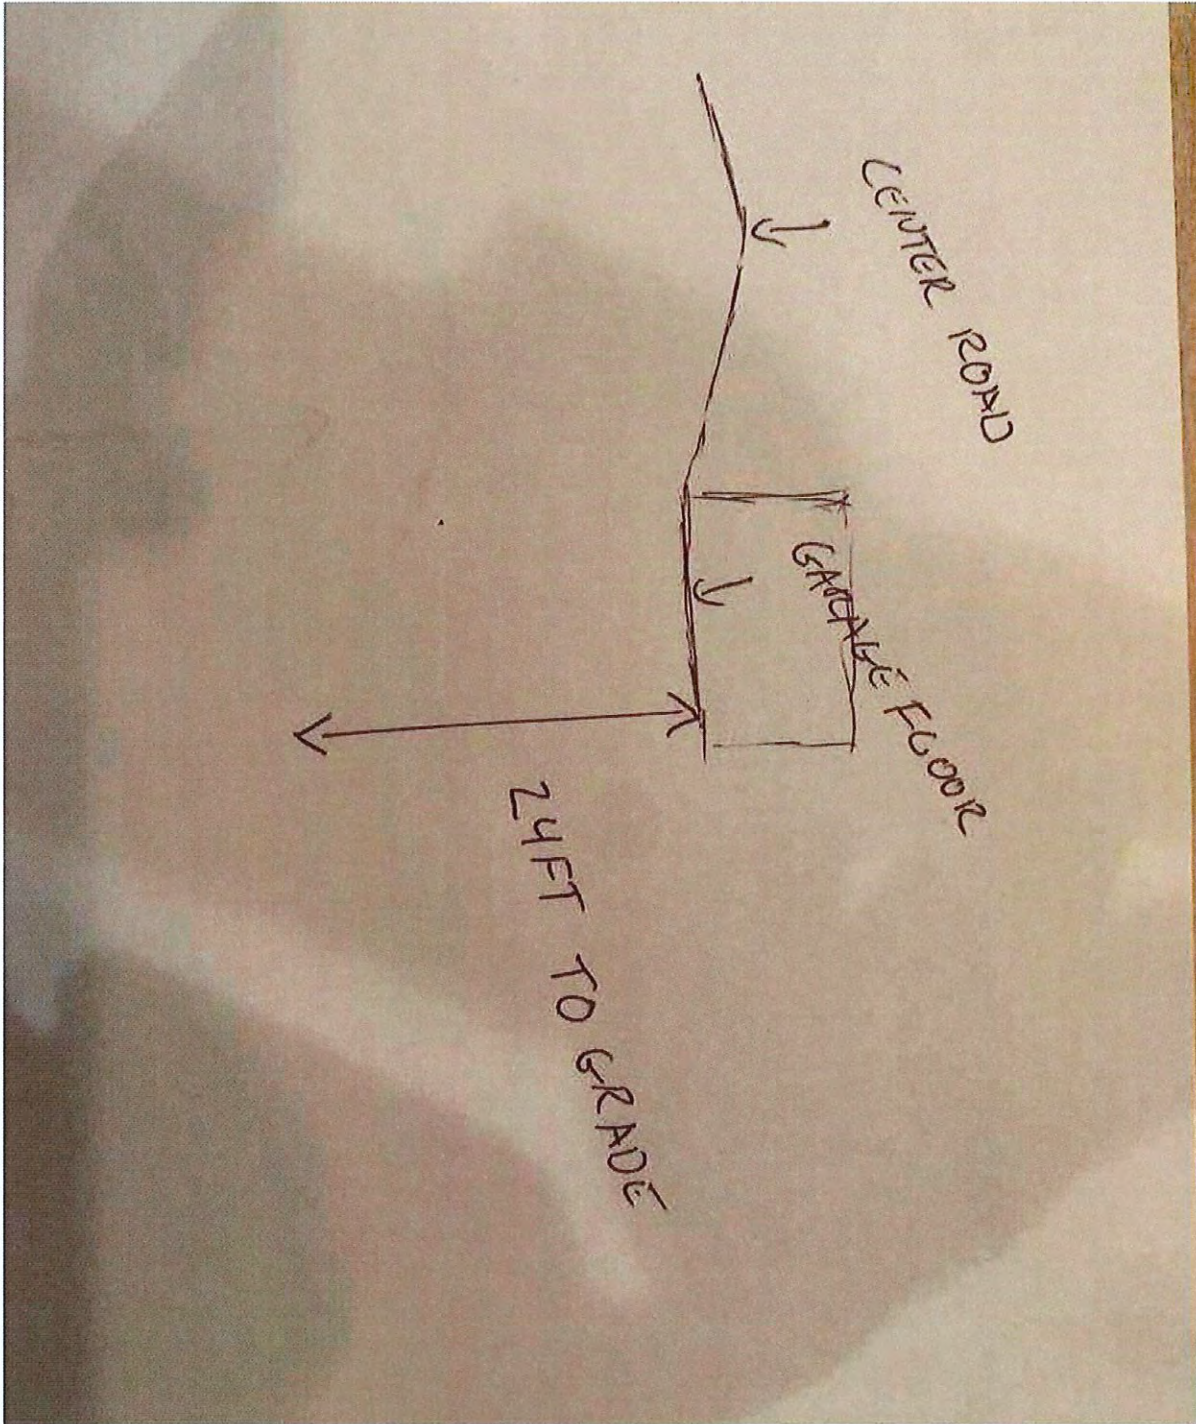

Kelly Mendonca & Shelby Mendonca

Please feel free to call for any clarification or discussion

This is the road side rendering. To show how it will look from the street. It is modest. And you can see front of house is all garage. Entrance on side.

Even at 2 floors below garage. House still has steps exiting to back yard.

More pictures attached of houses without garage is on the side of the road; you can see from our design we have tried to maximize parking, which in effect pushes us further out over the cliff.

A lot of these older houses have no parking due to the steep lots. As the garage pushes the houses over steeper and steeper terrain.

Existing terrain.

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 0550-70

SUBMITTED BY: Dave Driediger,
Manager of Park Operations

SUBJECT: Residential Recycling Report

PURPOSE:

To provide the Board with information on options to accommodate changes to residential recycling collection.

RECOMMENDATION:

THAT the Cultus Lake Park Board direct the Chief Administrative Officer to provide leaseholders with a standardized recycling tote in either 120L or 240L capacity as set out in Option 3 below; and

THAT the Cultus Lake Park Board direct the Chief Administrative Officer to fund the purchase of standardized recycling totes, \$17,000 from Operations and \$45,000 from Accumulated Surplus.

BACKGROUND:

At the February 19, 2020 Board meeting the Board discussed upcoming changes to the collection of mixed recycling as well as glass and plastic bags. Changes to regulations mandate complete separation of garbage, recycling and organics and mixed recycling may no longer include glass and plastic bags. The Sardis Bottle Depot accepts a wide range of materials (see Attachment 1) including glass and plastic. The facility is located at 45635 Lark Rd. and accepts materials free of charge seven days a week.

Given the cost of glass collection service the Board opted to leave disposal to the discretion of leaseholders contingent on community feedback. Over the past month the Cultus Lake Community Association asked leaseholders through email and social media how they would prefer to see recycling managed. In conversations with the Association Chair, staff learned that approximately 75 percent of residents indicated their preference was to recycle glass at the bottle depot rather than pay for curbside collection.

On top of the changes to recycling contents, in the future mixed recycling materials must be set out for collection in a bin. Recycling material contained in plastic bags will no longer be collected. Only garbage destined for the landfill may be bagged in plastic prior to disposal.

DISCUSSION:

The Board has a number of options available to manage the shift in recycling collection including:

1. Leaving the purchase of residential recycling bins to the discretion of leaseholders;
2. Providing leaseholders with a 120L Rubbermaid-style recycling bin and lid; or
3. Providing leaseholders with the choice of either a 120L or 240L standardized tote.

Option 1

Staff is reluctant to manage recycling through a variety of containers with or without secure lids. This past summer the BC Conservation Officer Service reported responding to a record number of bear complaints in the Lower Mainland. Like the surrounding region, the Park's rural setting affords significant opportunity for interactions with wildlife. At the January 15, 2020 Board meeting the Board discussed steps to reduce the availability of animal attractants and improve our community's health and safety and accessibility. Recent amendments to Property Maintenance Bylaw No. 1149, 2019 will provide structured garbage, recycling and organic bin set out times and ensure all containers are stored securely on leased lots rather than on park land. Regardless, recycling label stickers for containers could be made available to the community through the park office for a one time cost of \$1,200.

Option 2

As a second option, the Board may wish to consider provision of standardized, secure containers. 120L Rubbermaid-style recycling containers with lids are available at a cost of \$32 each. The \$17,000 cost to outfit the entire community can be absorbed by the 2020 residential waste collection budget (Table 1) and staff has the ability to deliver the containers to each residence.

Option 3

Staff's recommended option is to provide leaseholders with a standardized tote similar to those which house organics. The wheeled totes have secure locking lids, are capable of mechanical service and come equipped with an RF identification tag. Tags are commonly registered with the corresponding residential address at delivery and communicate with the collection truck's onboard receiver. When used in conjunction with the truck's camera, Valley Waste and Recycling (VWR) is able to reduce cross contamination and ensure that no collection sites are overlooked.

Blue recycling totes are available in two different sizes, 120L and 240L. Cost of the totes assembled, delivered and registered to the address are \$110 and \$120 respectively. Should the Board wish to pursue this option, staff will survey the community to establish desired tote size and place the order accordingly. Where leaseholders cannot be reached, delivery will default to the larger 240L tote. Individuals who wish to request a specific tote or have recycling service questions may write to: recycling@cultuslake.bc.ca.

In the past VWR collected unlimited curbside recycling; that is, no limit was placed on volume of recycling material set out at a residence. Under this option however, like organics, VWR will only collect what can be contained in the tote provided. In cases where a leaseholder may have additional recycling, totes will be made available for purchase by VWR or the material can be dropped off at the bottle depot along with glass.

TIME TO BE WASTE WISE!

The Fraser Valley Regional District has adopted a waste sorting bylaw.

It applies to all owners or occupiers of residential, commercial, industrial and institutional properties in Abbotsford, Chilliwack, Harrison Hot Springs, Hope, Agassiz, Mission and all FVRD Electoral Areas.

To comply, recyclable and compostable material must be sorted out of the garbage. This means you will need different bins for recycling, compost, and garbage. These three types of material must be sorted, kept separate, and delivered to authorized facilities either by you or by a private hauler.

Many helpful resources are available at BeWasteWise.com or call 1-800-667-4321 if you have questions.

WHAT BAGS CAN I USE?

Only garbage destined for the landfill can be bagged in plastic prior to disposal.

Bags will not be accepted with recyclables

Use only paper bags to line your kitchen catcher and/or compost bin. Plastic bags, even those labelled compostable or biodegradable, are not accepted with compostables.

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 0550

SUBMITTED BY: Jacquie Spencer,
Manager of Visitor Services, Accommodations & Bylaw Enforcement

SUBJECT: 255 First Avenue Parking Request

PURPOSE:

To provide the Board with information on parking request at 255 First Avenue.

RECOMMENDATION:

THAT the Cultus Lake Park Board direct the Chief Administrative Officer to grant the parking request at 255 First Avenue to move their designated parking area from First Avenue to Birch Street, provided;

- a) *The previously designated parking areas along First Avenue is relinquished; and*
- b) *That if a leaseholder wishes to sign their designated parking area, the cost and responsibility to do so be shouldered by the leaseholder and signage is posted on leased land.*

DISCUSSION:

In September of 2018, the leaseholders of 255 First Avenue requested permission from the Board to place parking signage along the Birch Street portion of their lot for designated parking. The matter of First Avenue parking request was brought forward at the August 21, 2019 Regular meeting of the Board. The following motion was approved:

4462-19 ***THAT*** the Cultus Lake Park Board provided staff with direction to request that the leaseholder of 255 First Ave remove all encroachments on park property; and

THAT the leaseholder be contacted to remove the hedge from around the stop sign as well as on the First Avenue sides of the property within 60 days.

The leaseholders have removed the hedge from around the stop sign as well as on the First Avenue sides of the property (pictured). The leaseholder wishes to receive permission for designated parking on the Birch Street side of the leasehold property.

Section 7.2 of the *Parking and Traffic Regulations Bylaw No. 1154, 2019* states:

“The Registered Leaseholder(s) or Current Occupant(s) in the residential areas have exclusive right to the allocated land to which the residence is addressed between lot lines detailed in the Cultus Lake Park Zoning Bylaw No. 1375, 2016 solely for the purpose of parking a motor vehicle (the “Designated Area”). Where a property borders two roadways as in the case of a corner lot, the side to which the residence is addressed will represent the Designated Area. Any consideration for additional parking at a corner lot must be submitted in writing to the Cultus Lake Park Board for approval, based on parking availability and traffic safety considerations.”

Staff have not identified any traffic safety concerns with respect to granting designated parking at the Birch Street side of the property.

STRATEGIC PLAN:

This report does not impact the Board’s Strategic Plan.

To explore the legitimacy and practicality of introducing designated smoking areas within Cultus Lake Park to address those that will smoke despite the *No Smoking Bylaw No. 1148, 2019* being in place.

RECOMMENDATION:

THAT the Cultus Lake Park Board direct the Chief Administrative Officer to bring forward a *No Smoking Bylaw No. 1148, 2019* amendment for Board consideration to include designated smoking areas.

DISCUSSION:

A *No Smoking Bylaw No. 1066, 2016* was adopted on July 13, 2016. This bylaw was then updated and a new version, the *No Smoking Bylaw No. 1148, 2019* (the "Bylaw") was adopted June 25, 2019 (attached). The Bylaw prohibits smoking in designated Park areas including public green spaces; beach and foreshore area; treed areas; trails; parking lots; playgrounds; public washrooms; off leash dog areas; volley ball and tennis courts; residential roadways; and common areas in Sunnyside Campground. Exemptions from the provisions of the bylaw include: the ceremonial burning of tobacco as part of an Aboriginal cultural activity; Sunnyside Campground individual camping sites; and residential properties

Since smoking has been prohibited at the Park, staff have continued to encounter numerous and persistent contraventions throughout the Park, even during fire bans. Smoking was the largest bylaw patrol activity for Bylaw Compliance and Enforcement Officers through the 2019 regular season:

Smoking in the Park (2019)	
Month	% of Total Enforcement and Compliance Activities
June	55
July	41
August	35
September	23

Despite the Bylaw, signage and enforcement activities in place, contraventions continue. Staff have addressed contraventions where people are found in forested areas or near combustible fuel sources such as grass, trees, and other landscaping materials. Many times, these people disclose that they knew of the Bylaw but wanted to smoke discreetly. This behavior and rationale is concerning as typically within the Park, a discreet place is located adjacent-to or on top of combustible fuel sources. In some instances, it appears that the Bylaw drives determined smokers to put the Park at increased risk by attempting to circumvent a bylaw infraction. This unintended consequence can also be seen throughout the residential areas, with Park visiting smokers being found on private leasehold property or residential streets, affecting leaseholders and residents throughout the community.

Park maintenance staff continue to combat the significant ground pollution throughout the Park along beaches, green spaces, commercial areas, roadways and lanes, and forested areas. Community hall grounds are often heavily littered with cigarette butts following rentals. There are considerable fuel sources at this location including ground cover, building structure, trees and bushes along the creek. Staff time to clear the cigarette butt litter is significant and costly during the busy season at the Park.

By providing designated smoking areas, smokers will have safe places to do so, with receptacles equipped to extinguish embers. The amount of cigarette litter throughout the Park may be more contained to these areas.

Four designated smoking areas may be considered throughout the Park:

1. Parking lot A;
2. Parking lot B;
3. Plaza;
4. Community Hall.

The attached draft map of designated smoking areas indicates the approximate proposed areas for each location. In the parking lots, the designated smoking areas would be located on gravel and at a distance from fuel sources. At the Plaza the area would be either in a graveled portion of the boulevard between Columbia Valley Highway and the Plaza parking lot, or in two converted parking spaces. At the Community Hall, the area would be on parking lot asphalt. Each location would have a smoking receptacle(s) in addition to signage (examples of receptacle and signage attached). A map of designated smoking areas would be made available online and at the Park Office, Visitor Services Office and Sunnyside Campground for visitor education.

Commercial leaseholders such as the Cultus Lake Golf Club have addressed the matter previously, as they had concerned their golfers would at times be found smoking in the forest as they knew Cultus Lake Park is a smoke-free environment. If the Board so chooses, staff could work with concerned commercial leaseholders to develop designated smoking areas at their locations.

Bylaw amendment examples to allow for designated smoking areas in the Park include:

- 2.2 Definition of Terms *"designated smoking area means an area, other than an enclosed room, that is designated for smoking"*
- *"3.2 Notwithstanding subsection (3.1), the CAO or delegate may designate a portion of Park property as a designated smoking area"; or*
- *"3.2 Notwithstanding subsection (3.1), the Board may designate a portion of Park property as a designated smoking area"; or*

Bylaw Compliance and Enforcement activities will remain unchanged, with smoking being a highly patrolled infraction whether or not designated areas are created. However, creating these designated

smoking areas may alleviate some concerns and potential harmful consequences of smoking in and around fuel sources that are abundant at the Park.

STRATEGIC PLAN:

This report does impact the Cultus Lake Park Board's Strategic Plan Initiative by addressing the Preservation of the Natural Beauty of Cultus Lake Park by way of Bylaw Enforcement initiatives.

NO SMOKING BYLAW

Bylaw No. 1148, 2019

A Bylaw to regulate Smoking.

Section 12 of the *Cultus Lake Park Act* (1932 and Amendments) enables the Cultus Lake Park Board to adopt Bylaws, and Section 9.2 (1) provides that Section 260 – Enforcement Powers of the *Community Charter* apply to the enforcement of the bylaws of the Board, and Section 261 – Payment of Fines and Other Penalties to Municipality under the *Community Charter* provides that fines and other penalties imposed and collected under or because of a Cultus Lake Park bylaw must be paid to the Park.

Every person who offends against any of the provisions of this Bylaw or who suffers or permits any act to be done in contravention or in violation of any of the provisions of this Bylaw, or who neglects to do or refrains from doing anything required to be done by any of the provisions of this Bylaw, or who does any act or thing which violates any of the provisions of this Bylaw, will be in breach of this Bylaw, and will be liable to the fines and the provisions as outlined in the "Cultus Lake Park Bylaw Notice Enforcement Bylaw No. 1140, 2019.

The Cultus Lake Park Board in open meeting assembled, enacts as follows:

1. TITLE

This bylaw may be cited for all purposes as "Cultus Lake Park No Smoking Bylaw No. 1148, 2019".

2. INTERPRETATION

2.1 Words or phrases defined in the *British Columbia Interpretation Act*, *Motor Vehicle Act*, *Local Government Act*, *Community Charter* or any successor legislation, will have the same meaning when used in this Bylaw unless otherwise defined in this Bylaw.

2.2 DEFINITION OF TERMS

- Residential roadways;
- Common areas in Sunnyside Campground

The following areas and uses are exempted from the provisions of this bylaw:

- The ceremonial burning of tobacco as part of an Aboriginal cultural activity;
- Sunnyside Campground individual camping sites; and
- Residential properties.

4. FINES

4.1 All leaseholders, residents, visitors, and persons are subject to the fines and provisions as outlined in Cultus Lake Park Bylaw Notice Enforcement Bylaw No. 1140, 2019, and Schedule A-8 in said bylaw.

4.2 Each occurrence or day that a contravention of the provisions of this Bylaw exists or is permitted to exist will constitute a separate offence.

5. SEVERABILITY

If any part of this bylaw is for any reason held invalid by a Court or competent jurisdiction, the invalid portion shall be severed and the severance shall not affect the validity of the remainder.

6. REPEAL

Cultus Lake Park No Smoking Bylaw No. 1077, 2016 is repealed.

7. EFFECTIVE DATE

This bylaw shall come into force and effect upon its adoption.

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:**

SUBMITTED BY: Warren Mazuren
Fire Chief

SUBJECT: Need to replace Rescue Jaws of Life

PURPOSE:

To provide the Board with information and reasoning on the need to replace our Rescue Jaws of Life.

RECOMMENDATION:

***THAT** the Cultus Lake Park Board approve the purchase of a new set of Jaws of Life of up to \$15,000 the funds be drawn from the Cultus Lake Fire Department Operating Reserve.*

BACKGROUND:

The jaws of life is a term that refers to many hydraulic rescue tools used by emergency response crews in order to extricate an accident victim from the wreckage of a rollover, car crash, or other vehicular accident. In most cases, the first responder who aids victims in their escape from such an accident is a firefighter, or a member of fire and rescue. The expression the jaws of life may be applied to any number of hydraulic tools used as rescue equipment, which are used to cut through the wreck of a mangled passenger vehicle, spread apart the metal with a spreader or with rams run off of a hydraulic pump or battery powered.

Today, the jaws of life are used in all types of critical situations, including the collapse of structures due to negligence, accident or earthquake. The name jaws of life is simply taken from the fact that the cutter may look like a big pair of jaws and using it to rescue a victim saves his life. Note that the term jaws of life is rendered in lowercase letters, unless referring to the apparatus that is still manufactured today by the Hurst Company, in which case the trademarked term is capitalized as in Jaws of Life.

The CLVFD fundraiser for the current set of jaws of life back around 2014 and were able to purchase a used set of Hurst Rescue Jaws for nearly ten thousand dollars. This set up consisted of a Honda motor and pump two sets of double hoses twenty-five feet in length and also includes a spreader unit, cutter unit, and three extendable rams.

The current set up has come to the end of its useful in-service life. The pump no longer pumps into second stage and is unserviceable and the Cutter attachment has a broken tip and is no longer in good shape. This unit is now only useful for practice and theories behind the use of

the tools. This current set of Jaws also comes with other challenges we wish to try and eliminate with a new more efficient unit. Currently the motor and pump must be set up by two firefighters, placed close enough to the incident to be useful, fueled and started, the hoses wound out and the right attachment placed at the end of the hoses. This set up is not favorable in steep terrain as it takes a considerable amount of time and at least two firefighters. After the unit is set up the first member attends to the motor and pump and adjusting the valves for hydraulic flow while the second member uses the pre-determined attachment and they switch off as required.

The new unit we would like to purchase is a battery powered combination cutter and spreader in one. With the powerful batteries, one member would simply remove the tool from its stow, install the batteries and walk the unit to the scene where needed. A newer unit would also eliminate the need to switch between cutter and spreader as it is both built into one. Many of the Career halls have gone to the battery operated E-draulic versions when updating their jaws of life for these exact reasons.

The Cultus Lake Volunteer Fire Department attends 1-2 calls a year where the potential for using the jaws of life is required.

I have attached three quotes for units that we have been able to do hands on testing ourselves. Based on our testing and research into these units we feel that going forward our preferred unit is the 17C Vario E force 2.0 Combi Tool. We are hoping to utilize the funds in the **Fire Department Operating Reserve** to pay for this unit.

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 0550

SUBMITTED BY: Paul Holman
Special Events Coordinator

SUBJECT: Special Event: Cruise for Your Cause
April 25, 2020

PURPOSE:

To provide the Board with information pertaining to the Saturday, April 25, 2020 Cruise for Your Cause Special Event application.

RECOMMENDATIONS:

THAT the Special Event application fee of \$100 be waived for the Cruise for Your Cause Special Event;

THAT the Special Event Park rental fee of \$100 be waived for the Cruise for Your Cause Special Event;

THAT the Board allows the Cruise for Your Cause event to be held in one section of Parking Lot A or Lot D for 90 minutes on April 25, 2020; and

THAT the fees for parking for the event participants is waived for 90 minutes on April 25, 2020.

DISCUSSION:

Upon Board approvals, this will be the first Cruise for Your Cause held at Cultus Lake Park. The number of participants is estimated at 40 cars (approximately 80 people).

Cruise for Your Cause is a charity car event in its 9th year. Everyone who participates chooses their own charity to support. No fees are collected by the organizer. All participants secure donations for their specific charities before the event. Participants cruise 200km throughout Metro Vancouver and the Fraser Valley to showcase their vehicles and charities.

The final stop would be at Cultus Lake Park. At the 90-minute event in a roped-off section of Parking Lot A or D, the organizer will have a prize table, participants will view the other vehicles, and raffle prizes will be handed out.

Below is a list of what the organizer is asking to be waived:

\$100 application fee

\$100 rental fees

40 cars x \$3 per hour x 2 hours = \$240 (parking for 90 minutes)

In exchange for waiving the application, rental fee and parking fees, *if the Board is interested*, the organizer could add Cultus Lake Park as a supporter of the cruise by adding our logo to their poster and promotional material.

Below is a list of the requirements the organizer must provide at least five business days prior to the event:

- \$1,000 security deposit;
- A copy of the comprehensive general liability insurance, naming Cultus Lake Park as additional insured in the amount of not less than five million (\$5,000,000) dollars; and
- Copy of event map.

As this is a charity event, staff recommends waiving the \$100 Special Event application fee, the \$100 Park rental fee, and the parking fees for 90 minutes.

STRATEGIC PLAN:

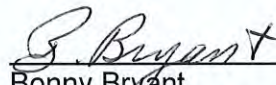

This report does not impact the Cultus Lake Park Board's Strategic Plan Initiative.

RE: SPECIAL REQUEST

Greetings fellow board members.

I have hosted and organized this charity car cruise in memory of my dad for the past 8 years. He was an avid car enthusiast and volunteer fire fighter for 30 years. His love of cars has naturally been passed down to me and this is my attempt to continue his legacy and do something good for the community in his memory.

The event is called Cruise for Your Cause. It is unique in the way it allows every participant to choose their own unique charity to support. Once donations are made, everyone gathers on the event day to Cruise ~200kms throughout Metro Vancouver/Fraser Valley to showcase their unique vehicles and unique charities. Every registered participant receives a complimentary lunch and has their name entered into a raffle prize giveaway that happens at the finale stop of the Cruise. There are no fees or tickets that I request from the participants of the Cruise since everyone already makes their own donations to their own charities prior to the event. There has been an average of 25+ unique local and national charities supported each year with an 8-year total of just over \$60,000 in donations raised.

All planning and organizing for this event are done solely by myself. All funding for the event including initial cost for the lunch, insurance and promotional material is all funded by myself. I have been fortunate and very thankful over the past 8 years to have the generosity of local businesses support the Cruise and make it what it is today.

My request to the Cultus Lake board members is for the possibility of free parking for Cruise participants for approximately 1 hour to make Cultus Lake our finale PitStop. Arrival time is to be determined once route is finalized, however approximately 3pm is the current goal. The parking lot in question can be at the discretion of the board. If there is also any possibility of waiving the event fee and/or application fee to keep event costs as low as possible, I would be extremely appreciative and at the discretion of the board members, would gladly add Cultus Lake as a proud supporter of the Cruise by adding an approved logo to our poster and promotional material online. I will agree to pay the refundable \$1,000 security deposit as I am confident in all the Cruise participants respecting the Park as they have done so with all locations in the past.

Last year's vehicle numbers were ~30 cars with previous years upwards of 50 cars, weather dependent. My goal is to have ~40 cars complete the event for 2020.

All that is accomplished during our finale stop is a quick raffle prize giveaway for all participants who complete the Cruise. During the raffle prize giveaways, I set up one table to display and organize prizes. Once the prizes are raffled away, the event is complete. Participants then depart and I verify the site is clean before my departure.

There are NO other vendors or paid vehicles such as food trucks accommodating us on site.

There is NO alcohol provided during the event.

I have full liability insurance for the event and will have no problem naming Cultus Lake on the policy. I usually acquire the policy a few weeks prior to the event and can forward to the appropriate contact as soon as possible.

All proceeds benefit the BC Kidney Foundation which is my unique charity of choice due to my dad's biggest health struggles.

Thank you for your time and consideration of this event.

I know my dad would be proud to have you join the Cruise!

Sincerely,

Travis Bowering

CULTUS LAKE PARK

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 FILE: 0550

SUBMITTED BY: Paul Holman
Special Events Coordinator

SUBJECT: Special Event: Cultus Lake Triathlon

PURPOSE:

The purpose of the report is to provide the Board with information pertaining to the Cultus Lake Triathlon 2020 Special Event.

RECOMMENDATION:

THAT the Cultus Lake Park Board approve the Cultus Lake Triathlon event from September 17 – 21, 2020, with September 17, 18 and 19 as set-up days, September 20 as race day, and September 21 as a clean-up day.

THAT the Cultus Lake Park Board approve reducing one rental fee day from \$500 to \$100 for Saturday, September 19, 2020.

THAT the Cultus Lake Park Board approve waiving parking fees in Parking Lot A for 20 volunteers on Sunday, September 20, 2020.

DISCUSSION:

Dynamic Race Events has put on the Cultus Lake Triathlon since 2009. They estimate 800 athletes will register for the 2020 event.

Even though part of the triathlon has a bike component, athletes will **NOT** ride their bikes in the Park. They will run along side their bikes from the transition area to the road and from the Office parking lot to the transition area. The organizers carpet the area and the athletes run beside their bikes to: a) minimize risk to the athletes; and b) to minimize damage to the Park grass. The organizers have been advised that any repairs to grass will consist of **turf replacement** (rather than over seeding). Organizers are to pay \$2,000 for the security deposit, in case there is any damage to the grass and turf needs to be replaced.

The event this year will NOT have the Cultus Lake to Lindell Beach portion of the race, as in previous years. This distance will be added to another portion of the race.

Dynamic Race Events fees are as follows:

- Application fee (non-refundable): \$100 (paid September 30)
- Rental fees 3 days (0-100 people – Thursday, Friday, Monday): \$300
- Rental fee 200+ people (Saturday – athletes picking up pre-race package): \$500 (*requesting this be reduced to \$100*)
- Rental fee 1-day early set-up fee: \$75 (Sunday)
- Rental fee 200+ people (Sunday – race day): \$500
- Swim line removal/replacement fee: \$500
- Security deposit (refundable): \$2,000

With the Board approval of reducing the \$500 rental fee for Saturday, September 19 to \$100, athletes will visit the Park for 10 – 30 minutes to pick up their pre-race package. This will generate parking revenue.

Below is the parking revenue generated on the Saturday (pre-race package pick-up) and Sunday (race day) in 2019:

- Saturday, September 14 – 326 Transactions: \$1,705.25
- Sunday, September 15 – 632 Transactions: \$6,238.75

The organizers are required to provide comprehensive general liability insurance of not less than \$5,000,000, a Ministry of Transportation permit to occupy the highway, First Aid and remove their own garbage. They will bring in their own garbage bin.

The organizers have submitted a map of Cultus Lake Park showcasing the transition area and where barricade/cones will be – guiding athletes around the Park. They have also submitted other maps for the event around the Cultus Lake area and a medical services plan.

The event will use Beethoven's Pizza as their food provider. Najib from Beethoven's Pizza called Paul Holman on January 10, 2020 and he is very supportive of the event. He also spoke to the Board on January 15, 2020 to show his support.

Special Events Coordinator, Paul Holman, spoke with Geoff Kosub at Main Beach Boat Rentals and Concession on October 8, 2019, and he has no concerns about the event.

Paul Holman spoke with Fire Chief Warren Mazuren on October 8, 2019 as he had issues with the 2019 detour of traffic. In case of emergency, he believed that many of the volunteer firefighters may have had difficulty getting through the detour to the Fire Hall. The organizers worked over the last several months on options to assist the Fire Department.

Below is the new traffic flow that the organizers are requesting from 7:30 – 10 a.m. on Sunday, September 20, to increase safety for the athletes and ensure that the firefighters can get to the Fire Hall easily in an emergency. Organizers also believe that this change to the race route will improve access for the public into Cultus Lake and Lindell Beach, as it will simplify the congestion to motor vehicles outside of the roundabout.

NEW TRAFFIC FLOW

- Traffic travelling from Chilliwack to Cultus Lake would go through the roundabout and turn right into the south end of the Plaza, drive through the Plaza and then turn left down Sunnyside.
- *Sunnyside will have one single alternating lane of traffic between the Plaza and the kiosk.*
- Traffic travelling from Cultus Lake to Chilliwack or Lindell Beach will travel north on Sunnyside and turn right into the Plaza and then go through the Plaza to the south exit and turn left to Chilliwack or right to Lindell Beach.

Paul Holman spoke with Fire Chief Mazuren on February 7, 2020 and received an email from him dated March 2, 2020. He is very supportive of the race – especially given the adjustments the organizers have made to the traffic flow. He believes that this will be safer for the racers and that in an emergency, his firefighters will be able to get to the Fire Hall easier than in previous years.

The organizers also tell racers before the race that any emergency will halt the race and the emergency and emergency vehicles take precedence. Traffic controllers will be made aware of the need to stop the race and let fire department personnel and emergency vehicles through, if an emergency was to occur.

Dynamic Race Events has submitted Special Event Applications for 2020, 2021 and 2022 Cultus Lake Triathlon events and paid the \$100 non-refundable deposits for all three years. Special Events Coordinator Paul Holman has tentatively secured dates for the 2020, 2021 and 2022 dates in the staff calendar, subject to Board approval.

Given the complaints the Board has received and the challenge regarding the damage that the carpeting did to the grass from the rainy 2019 event, staff recommends approving the event for one year and presenting to the Board again after the 2020 event for the 2021 event.

OVERVIEW

Dynamic Race Events

- A local, Independent Series, providing crafted, professional, community race experiences in Western Canada. The series is Canadian owned & operated and a proud active member of TriBC, the provincial sporting governing body under Triathlon Canada.

Cultus Lake Triathlon

- The race has been hosted for over a decade without a major incident.
- The race partners with local businesses providing a significant boost to the local economy on an off-peak season (end of the year) weekend.
- It has been hosted the 2nd or 3rd weekend in September, weekend after Labour Day for the last 13 years.
- Dynamic promotes the Cultus Lake community over the year to a database of over 5000 athletes.

2019 Event

- Event Day had traffic issues and significant delays/ impact to the community of Lindell.
- Significant rainfall the weekend of the event for a 2nd year in a row resulted in impact to the grass on the bike exit from the parking lot for a 2nd year in a row

2019 Post Event Follow Up

- immediate follow up conversations with our traffic supplier, community stakeholders/ governing bodies were conducted.
- The traffic supplier admitted fault in the traffic issues and not executing the traffic management plan as it was designed.
- A physical notice/apology to every resident in the Lindell community was mailed
- Applications for 2020-2022 dates were submitted when notified by Cultus Lake staff that the weekend after Labour Day date would not be available

2020 Planning

PARK & GROUNDS

- **Site Layout & Participant Flow** – We are looking at options with the timing of the event and where athletes can bike in safely from the road, and what can be done to improve the grounds from the road to the transition area.

ACCESS TO THE COMMUNITIES OF CULTUS LAKE & LINDELL

- **Traffic Management** – Dynamic has been working with the Ministry of Transportation on updates since September to our existing Traffic Management Plan for the 2020 event that include the following:
 - Removal of the out and back section along Columbia Valley Rd to the community of Lindell, with addition to the race course in the Fraser Valley
 - Updates to the traffic circle plans, specifically at 1) Veddar Mountain Rd/ Columbia Valley Rd and 2) Sunnyside Blvd/ Columbia Valley Rd
- **Parking/ Shuttle** – Currently discussing with the City of Chilliwack on the timelines of the proposed parking lot at the bottom of Columbia Valley Rd & Veddar Mountain Rd and other options for parking for athletes and the introduction of a shuttle bus system to the event site, reducing traffic in the Cultus Lake area.
- **Resident Notification** – planning a more robust public notification of the event, to ensure residents are aware that Sunday morning there will be traffic delays. Working with the MOT and local stakeholders on various channels of communication that are in line with the region's other public works. Options discussed (but not limited too): newspapers, local newsletters, direct mailer, websites, social media campaign, and signage.

REPORT/RECOMMENDATION TO BOARD

DATE: March 18, 2020 **FILE:** 0540-720

SUBMITTED BY: Darcy Bauer,
Chair, Environmental and Public Areas Planning Committee

SUBJECT: Recommendations from the Environmental and Public Areas Planning Committee

PURPOSE:

The purpose of this report is to provide the recommendations from the February 21, 2020 meeting of the Environmental and Public Areas Planning Committee.

RECOMMENDATIONS:

***THAT** the Environmental and Public Areas Planning Committee recommend that the Cultus Lake Park Board approve that the Environmental and Public Areas Planning Committee plant up to 25 trees, from schedule B, approved tree replacement list, from the Cultus Lake Park Tree and Plant Bylaw No. 1153, 2019, including all amendments, on Main Beach at the corner of Second Avenue, on both sides of the service road and the lawned area parallel to the west portion of Parking Lot B.*

***THAT** the Environmental and Public Areas Planning Committee recommend that the Cultus Lake Park Board approve that the Environmental and Public Areas Planning Committee plant up to ten (10) trees, from schedule B, approved tree replacement list, from the Cultus Lake Park Tree and Plant Bylaw No. 1153, 2019, including all amendments, and the placement of up to five (5) large boulders on the island between Lakeside Beach Club and Sunnyside Boulevard subject to the Chief Administrative Officer consulting with the tenants of Lakeside Beach Club.*

DISCUSSION:

At the February 21, 2020 meeting of the Environmental and Public Areas Planning Committee a discussion was had regarding the priorities of the 2020 Environmental and Public Areas Planning Committee and what the committee wants to accomplish this year within the \$10,000 committee budget.

As a result of these discussions, the above recommendations were put forward to the Cultus Lake Park Board.
