

Please see the message below from Bonny Bryant.

“It is with both sadness and gratitude that I announce that I am leaving my role as the Chief Administrative Officer at Cultus Lake Park effective immediately to pursue other opportunities. This was not an easy decision to make. It is unfortunate that the timing of my departure is occurring during this unprecedented global pandemic. However, this decision was made just prior to the acceleration of this event.

Contributing to Cultus Lake Park has been a great pleasure. I am very proud of the accomplishments I have achieved during my tenure here. I could not have done this without my excellent team. I am so very grateful to have worked with such exceptional staff – people who work together and, who time and time again, came together - often under immense pressure - to deliver on our commitments. Our work benefited and supported the community on every level. I am proud that we developed a highly functional team that consistently achieved or exceeded our goals and who supported each other and our leaseholders and visitors to the Park with respect, compassion and a commitment to excellence. I leave Cultus Lake Park in their competent and highly dedicated professional hands.

I am honoured to have served this community to the absolute best of my ability. I have enjoyed getting to know the people who live and work at Cultus Lake Park and to have welcomed millions of visitors a year to this area.

In my role, I have also had the opportunity to meet and work with outstanding professionals in all levels of government and with other stakeholders. I appreciate their support, engagement and efforts to help us make Cultus Lake Park a better place to live, work and play.

Thank you to everyone who supported, encouraged and recognized my value to our community. I have enjoyed getting to know you and working with you. I wish you all the best for the future. Stay safe and stay healthy.”
