**Statement from Cultus Lake Park:  
The Off-Leash Dog Park Reopening in Cultus Lake Park.**

Effective 12:01 a.m., Friday, May 8th, the Cultus Lake off-leash dog park will reopen to lake residents. This includes the “Dog Play Zone” - the septic field situated between the Plaza and the maintenance yard.

We recognize residents both two-legged and four-legged are eager to enjoy the outdoors as the weather improves and British Columbia works towards returning to a new normal.

Park users are reminded that physical distancing still needs to be maintained - keeping a MINIMUM of six feet of space between yourself and others to prevent the spread of COVID-19. We encourage all users to wash their hands before and after visiting the park and also to please clean up after your pets. Signage reminders of physical distancing will continue to be in place around the park.

If users of the off-leash dog park are not physical distancing, Cultus Lake Park will re-evaluate the situation.

If you have questions or concerns, please contact the Park Office at:
