

Rebuilding our Gem

FOR THE
FUTURE

The Cultus Lake Foreshore Fundraising and Improvement Committee needs your help. The Main Beach docks are showing their age and need replacing soon, this is going to be a costly endeavour and we are looking for sponsors to kick off our fund raising campaign. Your tax deductible donation will go towards a legacy of family fun at Cultus Lake Park!

CULTUS LAKE PARK RECEIVES ZERO FUNDING ON A LOCAL, PROVINCIAL OR FEDERAL LEVEL AND IS ENTIRELY SELF SUSTAINING.

Help us Reach our Goal, the Park is ours to Protect and Preserve.

We all have memories of visiting Cultus Lake Park as we grew up in the Fraser Valley. Families from communities across the lower mainland have been visiting Cultus Lake Park for camping trips, day picnics and special events for generations. Now we need your help to maintain the docks and ensure they are there for future generations to come and enjoy.

In the coming weeks and months we will be organizing events and fundraisers to help finance this project, please consider becoming a part of this legacy project with a cash donation or volunteer your time to this generational project.
