### **Annual Dismantle of the Weir at Cultus Lake Park**

Cultus Lake Park's Conditional Water Licence allows for the retention of water in the Lake between March 15<sup>th</sup> and September 15<sup>th</sup> annually. Please be advised that the level of the Lake will gradually begin to drop as we strategically dismantle the weir. As of September 15<sup>th</sup>, the Lake level will be balanced solely on natural inflow and discharge.

If you have a buoy, a boat moored or are utilizing the Cultus Lake Park boat launch, please monitor lake levels daily. For your safety, please be mindful of the lake levels prior to accessing the lake from any of the Cultus Lake Park docks.

Should you have any questions please, contact the Cultus Lake Park office at 604-858-3334 or email [reception@cultuslake.bc.ca](mailto:reception@cultuslake.bc.ca).
