

Cultus Lake Park and Tourism Chilliwack have collaborated to create this limited edition T-shirt just for you!

Over the years, we have received many inquiries and requests for exclusive merchandise for our visitors, residents and community, that will allow them to proudly display their love for Cultus Lake Park.

We are excited to introduce this super soft T-shirt in heathered navy, available in unisex sizes small through double XL. The hand drawn graphics were printed on a lightweight fabric, making this piece ideal for any season.

Get your hands on this one-of-a-kind tee at a few convenient locations! Shop within the community at the Visitor Service and Accommodations office or Cultus Lake Park office. Tourism Chilliwack will also be carrying this item online and at their Visitor Service building on Luckakuck Way!
